Active Campaign Seen As Candidates File

Contests for moderator, selectmen and school committee, and a referendum question regarding civil service status for school custodians will spice the March 5 town election ballot.

Two local attorneys will be seeking the vacancy for moderator created through the decision of Atty. Arthur Williams not to seek re-election. There will be five candidates for selectmen and eight for school committee, both having two seats to be filled. Atty. William J. Dalton and

Atty. Marco J. Pettoruto, will be seeking the moderator's post. Atty. Williams, a special justice, will not seek re-election due to a judicial ruling that could find him in conflict as an elected official.

In the selectmen's race, George E. Heseltine, completing his first three-year term on the board, will be seeking re-election, while Chairman Robert A. Watters has decided to retire from public office. In addition to Heseltine, those seeking the

town's top elective position are Mrs. Janet Scheerer, 14 Haven Drive; Donald I. Richmond, 5 Rock O'Dundee Road; Edmund J. Sullivan, Jr., 4 Rolling Ridge Road and James A. Temple, 32 Bellevue Road.

In the school committee race, Francis J. Hill will be seeking re-election, while Dr. Richard A. Katz will be stepping down.

In the race for the three year term with Hill are Richard L.

42-Hour Week Begins; New Fire Fighters Named

The 42-hour work week, approved by the voters for the Andover Fire Department on the ballot last November, will go into effect next week.

To accommodate the new work week, seven new fire fighters have been appointed by Town Manager J. Maynard Austin and two lieutenants.

Five of the firefighters and the two lieutenants are provisional appointees, permanent appointment dependent on successful passage of a civil service examination.

George B. Thomson, 53 Enmore St., was appointed a permanent fire fighter on Jan. 14 and Dean Ward, 36B Center St., will join the department as a permanent appointment next week.

William Morris, 19 Lincoln St., North Andover, will be appointed provided consent is given by authorities in North Andover.

The provisional fire fighters to be assigned to varied shifts with the implementation of the 42-hour week beginning on Sunday, will be David F. Lynch, 16 Cuba St.; Scott Gorrie, 4 Abbott Village Way; James R. Lynch, 500 South Main St.; William C. Valentine, 63 Reservation Road and John Campbell, 240 Andover St.

The town manager and Fire Chief Henry L. Hilton have designated Harold J. Wright and Arthur J. Keeler as lieutenants to be assigned to the West and Ballardvale stations, pending establishment of a civil service list.

The promotional examination for the fire department has not as yet been set by civil service.

Approval of the provisional appointments is anticipated by local officials by civil service prior to the effective date of the 42-hour schedule.

The new work week was part of a contract negotiated between the fire fighters union and Town Manager Austin last year. It was left to the voters for final approval in November.

Attorney Pettoruto Moderator Candidate

Atty. Marco J. Pettoruto of William Street, is a candidate for the office of Town Moderator. He has served as Assistant Moderator at town meetings.

He is a graduate of Boston University Law School and a member of the American Bar Association, Lawrence Bar Association, Institute of Military Law and the District of Columbia Bar. He has been admitted to practice before the United States Supreme Court and the Tax Court of the United States.

Atty. Pettoruto maintains law offices in the Central Building at 316 Essex Street in Lawrence. He is a director of the Bon Secours Hospital Guild, a member of the board of directors of the Justinian Law Society of Massachusetts, Advocate of the Andover Council Knights of Columbus, member of the Judge Advocates Association and former director of the board of the Massachusetts Heart

Atty. Marco J. Pettoruto

Association, North Essex chapter. He is married to the former Verena Marie Zeller.

Political Announcement Schedule

Announcements of candidates for public office in the March 5 town election will be carried by the TOWNSMAN through the issue of Feb. 22.

All copy and pictures must be submitted to the TOWNSMAN office by Tuesday noon the week of publication.

Under no circumstances will public service announcements of candidates be carried after the Feb. 22 edition.

South Church Holds 262nd Annual Meeting

The 262nd Annual Meeting of the members of South Church in Andover, United Church of Christ, was held on Wednesday, Jan. 31 at 7:45 p.m.

Preceded by a Pot Luck Supper at 6:30 p.m., the meeting followed with the acceptance of reports from the Ministers, Officers and Boards of the Church. Various organizations within the life of the fellowship reported on their activities.

1972 has been a year of growth for the Church in its membership, budget and outreach. Many repairs to the building have been accomplished, including a refurbishing of the Sanctuary.

At the meeting an amplifier lectern was dedicated as a presentation of the Memorial Gifts Committee. This will be used at all official meetings of the Church and at Special Services where indicated.

Other business included action on a recommendation by the Diaconate and the Church Council in regard to having the Morning Service concurrent with the Church School at 10:30 a.m. and an earlier service for experiences and experiments in innovative worship.

Named Police Advisor For Andover, No. Andover

Atty. Laurence P. Melia, 41 Greenwood Road, Andover, has been appointed police legal advisor for Andover and North Andover.

Atty. Melia succeeds Atty. John Boyle, who had held the position funded for the two communities under a federal grant.

The position provides

assistance to the members of both police departments in the preparation of court cases and warrants, as well as providing legal assistance and instruction to the police of the two towns.

The appointment has been made jointly by Town Manager J. Maynard Austin of Andover and the North Andover Board of Selectmen. The salary has been established at \$14,000 and the appointee is subject to 24-hour call by the departments.

Atty. Melia, a native of Lawrence, is a graduate of St. Laurence O'Toole and Central Catholic High school, Lawrence, and received a L.L.B. degree from Villanova University school of law.

He was admitted to the Massachusetts Bar in March, 1967.

He has maintained a private law practice for the past six and one-half years at 316 Essex St., Lawrence.

Police Chiefs David L. Nicoll of Andover and Joseph W. Lawlor of North Andover conferred and assisted the appointing authorities in the selection of Atty. Melia.

Dr. Cronin To Address Educators

Secretary of Educational Affairs, Joseph M. Cronin will address area superintendents of schools and school committee members on Tuesday evening, Feb. 6 at 8 p.m. at the Northeast Regional Education Center, Department of Education, 565 Chickering Road, (Route 125), North Andover. Dr. Cronin is seeking reactions and suggestions to the reorganization plan for education in the Commonwealth. The Secretary is holding similar meetings across the State to provide himself and his staff with the broadest possible base of information prior to developing all the details of the legislation for reorganization.

Dr. Cronin initially outlined his plan on Jan. 23. The proposal would substitute two "super boards" for the present Boards of Higher Education and Board of Education. It also establishes five regional boards through the State which would be responsible for education kindergarten through college.

Landfill Decision Needed

Andover faces a final decision on its dump problem at the March town meeting.

That would appear to be the decision of state authorities who hold the power to take the town to court for failing to comply with an order to abandon use of its Chandler Road sanitary landfill operation.

Richard M. Power, director of the state Department of Public Health bureau of community sanitation and Kenneth Tarbell of the state DPH office conducted a public hearing on the Chandler Road operation Monday night with about 50 residents and town officials at the Doherty school.

The hearing was to present pros and cons relative to the state's rescinding of the assignment of the Chandler Road site.

Testimony was taped to be considered by the state officials in making their final decision on the matter.

Following the taping of the testimony, Power told the group that if town meeting in March made a decision on the dump, as to either going to a new location, or in contracting for the removal of refuse from town, then possibly the state would not enforce its court orders.

The town has twice rejected a proposal to initiate a new landfill operation off Woburn street. It was turned down at the October town meetings.

Both the Woburn street and Lowell Junction site will be up for consideration in March, along with possible taking refuse out of town.

Chairman Robert A. Watters represented the town in the testimony given to allow Andover to continue its operation at Chandler road.

Watters noted the steps taken by the town to relieve pollution problems at the Chandler Road site, and also the amount of funds spent to make it a truly sanitary landfill.

He also noted the efforts of the

town to obtain a new location and the plans to be presented to this year's annual town meeting.

In response to a question by Dr. Albert Greenberg of the finance committee as to why the long-existing condition must now be relieved, Power said that inspection of the Andover site began in April of 1970 and the state feels that time has run out for correction.

Three candidates who had obtained nomination papers earlier failed to file by the Monday deadline. Dr. Pasquale A. Marino, Donna Childs and Charles A. Brau, withdrew from the race.

Winston A. Blake, 5 Stratford Road, will be unopposed in his bid for re-election to another five

year term on the Housing Authority.

Also unopposed will be Fred S. Tarbox, who will stand for re-election to the Greater Lawrence Regional Vocational Technical School Committee.

Trustees of Punchard Free School running for re-election unopposed include Fred W. Doyle, Arthur W. Cole, William V. Emmons, Malcolm J. Ruhl and Harry Sellars.

The ballot question asks the town to accept a statute which would grant civil service status to members of the custodial staff in the public schools.

Lyons

(Continued from Page One)

school, he received a B.S. degree from Holy Cross and served in the U.S. Navy from 1944 to 1946 and from 1950 to 1952.

A resident of Andover for 18 years, he is the owner of the Professional Management Center in Andover, a computer oriented service bureau, providing financial management services to the business community.

He has held positions in the pharmaceutical, chemical and nursing home fields before starting his own business in 1961.

He and his wife Gloria have eight children, Kathleen, a student at West Junior High; Mary, Mark, Michael, Christopher and Janet, attending St. Augustine's school, and Peter.

Mr. Lyons in his platform, states: His approach will be one of thoroughly analyzing existing programs to determine their cost effectiveness.

"Each program must be justified on these criteria:

1. Is it a worthwhile program?
2. Does it really benefit the children, and has it been proved to do so?
3. What is its projected cost over the next year - two years - five years?
4. Can the taxpayers afford it?

"Each program should be able to stand this simple test."

He believes in the traditional school building with the traditional school room. He further believes no evidence has been forthcoming that an open classroom environment produces a better educated, better adjusted and more civic-minded group of young people. There may be evidence to show just the opposite is true!

The candidate said he is concerned about the associated problems of school age children such as drugs, conduct, alcohol and absenteeism. Education should not be just a matter of learning programs and textbooks. It is the duty of a school system to be concerned about the complete education of the child or young adult in his or her development as a responsible, and responsive member of society.

Richmond

(Continued from Page One)

leaving that position to become national sales manager of an industrial - commercial heating equipment firm in Boston.

For the past 12 years he has been self-employed in real estate investment and construction.

In announcing his candidacy, Richmond stated:

"Like many of my fellow townsmen, I have been highly disturbed by the constant, yearly increase of Real Estate Taxes. The Tax Rate is now at the critical point. We can no longer support the image of an affluent town, the big spender, because we cannot afford it! If our taxes are increased one more cent by any new, proposed spending project, then, we can't afford it! We must stabilize the tax rate. We must live within the income from our present tax base. If elected as a Selectman, I pledge myself to the singular objective of stabilizing the tax rate."

Throughout this nation there is a growing discontent with the enormity and expense of the various levels of government that have grown in size and cost far beyond the needs for which these governmental units were created.

"And, it is time we reviewed our own Andover Town Government. Is it doing the job for which it is needed and at a reasonable cost. Or do we also have an expensive monster on our hands, draining our tax dollars for functions and projects far beyond our basic needs. We'll never know unless we take a fresh, new look. Having lived in Andover for almost 23 years and working here every day for the past 12 years, I have acquired valuable knowledge as to why our taxes are so high and what I can do as a Selectman to help provide good government at a reasonable cost."

Sullivan

(Continued from Page One)

Sullivan is a graduate of M.I.T. with a B.S.M.E. and was on the D.I.C. staff at M.I.T. for three years. He subsequently ran his own manufacturing business in Boston and is presently a manufacturing engineer with Western Electric, Merrimack Valley Works in North Andover.

A 12 year resident of Andover, he and his wife, Jeane, have six children, three daughters in Andover junior and senior high schools, a daughter, Jeane at Merrimack College, a son, Stephen, a senior at Wesleyan University, Middletown, Conn., and their oldest son, Edward, III, a June graduate of Boston College, now serving with the Peace Corps in Senegal, West Africa.

Examination For Postal Positions Set

Andover Postmaster Francis J. Mooney announced that applications for examination to the positions of Fireman - Laborer and Custodial Laborer at the Andover Post Office will be accepted until Feb. 7, 1973.

Applications can be obtained at the Main Post Office and will be filed with the postmaster.

Starting salaries for these positions are \$7790 per year and \$3.51 per hour respectively. These two positions are reserved for veterans.

King Constantine of Greece was born in 1940, succeeded to the throne in 1964, married Princess Ann-Marie of Denmark later that year, and ruled until a coup d'etat on April 21, 1967 sent him into exile in Rome.

ENJOYING the facilities of the Phillips Academy pool, used by the Andover-North Andover YMCA for their aquatic programs are Geraldine Bemis, Kathy Bolduc and Beth Caswell.

P.A., Y Meeting A Need

The Andover - North Andover YMCA and Phillips Academy have teamed up to provide services to the townspeople of the two over the past five years that neither could have provided alone, according to Richard Cate, executive director of the Andover Y.

Cate was pausing in the midst of the sixth year of PA-YMCA cooperation to express appreciation for the use of the academy's facilities.

Item: 2,564 people were enrolled in 60 programs which the Y offered in the academy's swimming pool in the calendar year ending Sept. 30, 1972. Other programs using academy facilities brought last year's total to 3,762 enrollments in 124 programs at PA, including aquatics, tennis, ice skating, riflery, tutoring, jogging, soccer and softball.

"We're doing for them what they want done - service to townspeople - but which they couldn't do themselves, because they're running a boarding school on a 24 hour a day basis. As for what they're doing for us we couldn't run these programs without the facilities. They offer the facilities, and we do the arranging, supervising and instructing."

Cate says the Y programs at PA act as a funnel of service to the community, since the Andover Y runs programs for

Boy Scout and Girl Scout requirements, Red Cross lifesaving courses, as well as recreational swim programs and instruction. The Y runs the lifesaving courses for both PA and Abbot Academy.

The Red Cross Water Safety instructors' training for the entire Greater Lawrence area, and the YMCA Aquatics instructors' training for people all the way from here to Worcester are run at the PA pool by Andover YMCA staff, according to Cate and Mrs. Elaine Kent, in charge of the water program, and the women's and girls' program at the Y.

The PA-YMCA cooperation began in 1967, Cate says, when he came over from the Lawrence Y to take over the Youth Center as an experiment. "We arranged to use the pool for a few classes and it grew from there. Now we have more people using the pool in eight hours a week than the academy does in its own extensive swim program."

Phillips Academy provides leadership to the Andover Y as well as facilities, Kate says. Ted Harrison, PA athletic director, has been president of the Andover YMCA since it was formed in 1968. Charles Smith, PA alumni secretary, has been an officer and was a member of the board of directors until this year.

"Beyond that," Cate adds, "PA and Abbot Academy faculty

and students have helped us with volunteer leadership and instruction. Abbot has also furnished us with the use of its paddle tennis courts."

Auction Captains Named

Several residents in the area have been named Go-Getter Team Captains for the 1973 Channel 2 Auction. The 8th annual auction will take place June 1 - 9, and is the major fund raising activity for Boston's public television outlet WGBH-TV.

Local merchants, industries, companies and individuals will be contacted by Team Captains and their teams for products and services that can be auctioned off during the nine-day television auction. Last year, more than 8500 items were sold during the 100 hours of television bidding.

Each year more than 4000 volunteers from four New England states participate in this colorful event which is acclaimed as the most outstanding fund raising activity conducted in this area.

Heading all volunteers in this area is: Mrs. Peter Price of Andover.

Training sessions for all volunteers will be conducted in the Channel 2 studios (Boston) during February. At that time, the Area Chairman, Team Captains and Go-Getter volunteers will receive their kits of materials and receive an indoctrination in auction procedures from Auction Manager Hamilton Osgood. A tour of the studio will follow the meeting, with opportunities for meeting station personalities.

The 1973 Channel 2 Auction will have as its theme: It's A Circus.

Team Captains for this area include: Mrs. Peter R. Coughlin, 75 Hillside Road, North Andover; Mrs. Hal L. Rubin, 64 Spring Grove Road and Mrs. Robert Harlen, 116 Abbott St., both of Andover.

On Dean's List

Mary F. Platt, 12 Longwood Drive, Andover, has been named to the Dean's list at Greenfield Community College, Greenfield, for the past semester.

In Recital At College

Theodor Uppman

Mildred Miller, mezzo-soprano, and Theodor Uppman, baritone, both of the Metropolitan Opera Association, will be featured as the third event in this season's Merrimack College Celebrity Series. Their recital will take place in the College Chapel, Friday, Feb. 9, at 8:30 p.m.

Miss Miller and Mr. Uppman will perform duets by Purcell, Rossini and Offenbach; other works on the program are by Schubert, Wagner, Mozart, Bizet and Ravel. John Wustman will accompany the artists on the piano.

Mildred Miller appears at the Met each season and also has performed with the opera companies of Vienna, Berlin, Munich, Stuttgart, Frankfurt, San Francisco, Chicago, Pasadena, Fort Worth, Kansas City, San Antonio, Pittsburgh, Tulsa, Cincinnati, St. Paul and the New England Opera Association.

Born in Cleveland, Miss Miller studied at the Cleveland Institute of Music and the New England Conservatory of Music. Miss Miller's debut with the Metropolitan Opera Company was in 1951 as Cherubino in Mozart's "Marriage of Figaro." During her early years at the Met, Miss Miller played so many "pant" roles (girl singing boy parts) that she said she felt like a "reluctant Peter Pan." She was Octavian, the 17-year-old count in Strauss' "Der Rosenkavalier" - which incidentally still is her favorite role; Orlofsky in "Fledermaus," Nicklaus in "Tales of Hoffman," Hansel in "Hansel and Gretel," Siebel in Gounod's "Faust."

Theodor Uppman's list of successes at the Metropolitan range far and wide and include performances under the late Bruno Walter in "The Magic Flute," Karl Boehm in the outstanding production of "Don Giovanni," Ernest Ansermet in "Pelleas et Melisande," "Cosi fan tutte," four Puccini operas - "The Girl of the Golden West," "La Boheme," "Turandot" and "Madam Butterfly," and the two delightful light operas, "La Perichole" and "Die Fledermaus."

When Mr. Uppman is not busy with operatic performances, he tours the country extensively doing concerts, singing with major orchestras and appearing on TV and radio. (He had been a regular guest on "The Bell Telephone Hour.") During the summer he often has an opportunity to use another facet of his talent when he appears in summer festivals of light opera. A typical two-week period might find him singing an all-Gershwin program in Honolulu, performances of "The Merry Widow" in Milwaukee, Cole Porter Night at the Hollywood Bowl in his native California, and Rodgers and Hammerstein selections with the Pittsburgh Symphony.

Tickets for the recital are available at the McQuade Library on campus and also by mail. For information call 688-6175.

Roller Skating Changes

The Andover Recreation / Community School Department has announced the following changes in the roller skating program. There have been requests to change the Monday evening roller skating lessons to Saturday morning. In response, beginning Saturday, Feb. 3, all skating lessons will be given from 9 a.m. to 9:45 a.m. in the

Doherty School gymnasium. This will replace the Monday evening lessons. The general skate from 9:45 a.m. to noon will continue as before. Adults as well as children are invited to participate in both the lessons and the general skating.

For further information, please call the Recreation / Community School Department office in Town Hall.

Discarded containers finally return to the earth, but not in our

time. Tin beer cans thrown out this year will be iron oxide by the year, 2072. Aluminum cans will be degraded by 2472, and plastics, by the year, 2312, the Massachusetts Audubon Society points out.

How could the Baileys buy two sports cars?

Ask Essex Broadway!

Nothing to it! A new car loan at Essex Broadway is just about the lowest-cost, lowest-interest loan in the whole bank. Bob Bailey has to get to work. Betty has her shopping, and getting little Mike to school and back. They both love sports cars. So? A low-cost Car Loan at Essex Broadway has two bombs in the driveway, and the neighbors seeing double. One of these days they might have to trade HERS for a station wagon - but right now you should see them rallying up North!

TOWN OF ANDOVER
WARRANT
THE COMMONWEALTH OF MASSACHUSETTS
ESSEX, SS.

To either of the Constables of the Town of Andover

Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the Inhabitants of said town who are qualified to vote in Elections and Town Affairs to meet and assemble at the designated polling places in Precincts One, Two, Three, Four, Five and Six, viz: The William A. Doherty School, Bartlet Street, in Precinct One; the Lower Hall, Andover Baptist Church, in Precinct Two, the Cardinal Cushing Gymnasium, Haverhill Street, in Precinct Three; the West Elementary School, Beacon Street, in Precinct Four; the South Elementary School, Woburn Street, Ballardvale, in Precinct Five; and the Peabody House, Phillips Street, in Precinct Six, in said Andover, on

MONDAY, THE FIFTH DAY OF MARCH, 1973

at 8:00 o'clock A.M., to act upon the following articles:

ARTICLE 1. To elect a Moderator for one year, two Selectmen for three years, two members of the School Committee for three years, five Trustees of the Pynchard Free School for three years, one member of the Andover Housing Authority for five years, one member of the Greater Lawrence Regional Vocational Technical High School District Committee for three years and any other town officers required by law to be elected by ballot, also to vote on the following question:

QUESTION - "Shall the town vote that janitors of school buildings be placed within the classified civil service?"

All the above candidates and question to be voted for on one ballot. The polls will be open from 8:00 o'clock A.M. to 7:00 o'clock P.M.

After final action on the preceding Article One, the said meeting shall stand adjourned by virtue of Section 20, Chapter 39 of the General Laws, to Monday, March 12, 1973 at 7:30 P.M. at the Memorial Auditorium on Bartlet Street, then and there to begin acting upon articles that follow in this warrant.

After the annual Town Meeting of March 12, 1973, a motion will be made from the floor which shall state that all debates and discussions upon any article which is being considered on March 12, 1973, will be suspended and the first order of business on March 19, 1973 at 7:30 p.m. will be Article 15 of the Warrant.

ARTICLE 2. To elect all other officers not required by law to be elected by ballot.

ARTICLE 3. To establish the salaries of the elected TOWN OFFICERS for the ensuing year.

ARTICLE 4. To determine what sums of money shall be appropriated for the fiscal year beginning January 1, 1973 and ending June 30, 1974 as submitted by the Town Manager and reviewed by the Finance Committee in its report.

ARTICLE 5. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the eighteen month period beginning January 1, 1973 in accordance with General Laws, Chapter 44, Section 4, and acts in amendment thereof, and including in addition thereto, Chapter 849 of the Acts of 1969, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 6. To see if the Town will vote to raise by taxation and appropriate the sum of \$93,000 for Chapter 90 Highway Construction, the Town to be reimbursed 50% by the Commonwealth and 25% by the County; and to authorize the Town to acquire necessary drainage easements by gift, by purchase, or by seizure by right of eminent domain.

ARTICLE 7. To see if the Town will vote to transfer \$120,000 from Overlay Reserve to the Reserve Fund.

ARTICLE 8. To see if the Town will vote to raise by taxation and appropriate the sum of \$38,721.25 to meet the Town's share of the cost of the Greater Lawrence Sanitary District for the fiscal year beginning January 1, 1973 and ending June 30, 1974 as determined by Chapter 750 of the 1968 Acts of the Commonwealth of Massachusetts.

ARTICLE 9. To see if the Town will vote to raise by taxation and appropriate, transfer from available funds or by any combination of the foregoing, the sum of \$150,000 for the purpose of installing road drains and authorize the Selectmen to acquire the necessary easements by purchase, by gift or by seizure by right of eminent domain.

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds \$2,580 for the purchase of video tape equipment for use by the Police Department, said expenditure having been approved by the Governor's Highway Safety Bureau for full reimbursement.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from available funds \$2,611 for the purchase of equipment for use by the Police Department in implementing a Pedestrian Safety Program, said expenditure having been approved by the Governor's Highway Safety Bureau for full reimbursement.

ARTICLE 12. To see if the Town will authorize the Town Manager to contract for the purchase of a pumper fire truck for the Fire Department and to meet the expense to raise and appropriate by taxation the sum of \$30,000.00 and authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$27,000.00 by notes or bonds of the Town.

ARTICLE 13. To see if the Town will vote to extend the General Business District near the intersection of North Main Street and Balmoral Street in Shawshen Village in a Southerly direction along the Easterly side of North Main Street to include the following premises. Being Lots numbered 95, 96 and 97 on the Zoning Assessors' Maps and shown on Map 36, said premises being more particularly bounded and described as follows:

WESTERLY 184 feet, more or less, by the centerline of North Main Street;

On the petition of the Andover Police Betterment Association.

ARTICLE 33. To see if the Town will vote to adopt the following resolution to be sent to Representative Paul Cronin, House of Representatives, and to Senators Edward Brooke and Edward Kennedy:

Whereas the townspeople of Andover are dismayed by the renewed bombing of Vietnam which has cost the lives of thousands, and which comes on the heels of a promise of "peace at hand", we hereby request the Congress of the United States to reestablish its constitutional obligation to the people by demanding that the President sign the nine point cease-fire agreement. We call upon Congress to cut off all funds for the prosecution of the war immediately.

We further express our deep concern over the plight of thousands of Vietnamese, orphaned, homeless and maimed, and we ask Congress to appropriate funds for the rebuilding of that shattered land. On the petition of Selma Sternlieb and others.

ARTICLE 34. To see if the Town will vote to raise and appropriate or transfer from available funds \$2,500 for the Historical Commission. Inserted at request of the Historical Commission.

AMEND SECTION II. DEFINITIONS by adding the following new definition, Paragraph 23:

23. Small Animal Hospital: A place where small animals or pets are given medical or surgical treatment. In-hospital stays are limited to short-term boarding.

AMEND SECTION IV.B. TABLE OF USE REGULATIONS by changing the present Paragraph 7. to 7.A and by adding a new Paragraph 7.B as follows:

7.B. Small Animal Hospital: subject to the provisions of Section VI.A.4., VI.A.7 and VI.H; and showing the symbol SP for Special Permit in the columns under S.R.B., S.R.C., I.A. and I.D. and the symbol N for NO under all other categories.

AMEND VI.A.4. PARKING REQUIREMENTS - INDUSTRIAL DISTRICTS by adding a new Paragraph C as follows:

C. For Small Animal Hospital, off-street parking as follows: eight (8) parking spaces per veterinarian; one (1) space per other employee or hospital personnel; with a minimum of ten (10) spaces.

AMEND SECTION VI.A. PARKING REQUIREMENTS by adding a new Paragraph 7 as follows:

7. Residence Districts
(a) for Small Animal Hospitals, off-street parking as follows: eight (8) parking spaces per veterinarian; one (1) space per other employee or hospital personnel; with a minimum of ten (10) spaces.

AMEND SECTION VI. OTHER REQUIREMENTS, by adding a new subsection H as follows:

H. Small Animal Hospital
In granting a Special Permit for hospitals for small animals, the Board of Appeals shall be satisfied that the conditions of Section VIII.B.2. as well as the following are met:

1. All wards for housing of small animals shall be in inside rooms with no outside walls. Two distinctly separate rooms, wings, or wards for the housing of animals shall be provided. These wards shall be connected by means of a

(Continued on Page 10)

(Continued from Page Nine)

door which shall adequately prevent communication of patients between the wards.

2. All exercise areas shall be inside (roofed) and enclosed with eight (8) inch concrete block walls or its equivalent. The entire building shall be heated, ventilated, insulated, and air-conditioned to eliminate as much sound and odor as possible. Certification by an acoustical engineer indicating that the projected sound level at the property line is non-objectionable may be required.

3. The facility shall be connected to the town sewerage systems.

4. In Industrial Districts living quarters for a resident veterinarian or a caretaker shall be provided on the site. All other requirements of the Zoning Bylaw for any industrial facility shall be met.

5. In residential districts the following additional special requirements shall apply:

(a) There shall be a minimum lot size of five (5) acres and a maximum total floor area of 5,000 square feet for the hospital facility and accessory structures exclusive of the dwelling;

(b) There shall be a minimum frontage of 500 feet on a major or collector road;

(c) There shall be minimum setbacks as follows:

- (1) 100 Ft. front yard setback;
- (2) 200 Ft. rear and side yard depths;

(d) A single attached dwelling which conforms in all respects to the zoning requirements of the residential district in which the facility is located shall be provided; this must be the principal residence of a veterinarian associated with the hospital who is the principal owner.

(e) There shall be a maximum of three (3) veterinarians associated with the hospital;

(f) The hospital facility shall be designed to conform to the residential character of the surrounding neighborhood. Signs shall be restricted to the requirements of Section VI.B.3.a. (1);

(g) Parking areas and, where the Appeals Board deems it desirable, buildings shall be screened from abutting residential properties by a wall, fence or evergreen hedge or a combination of these at least five (5) feet high; and, plans for landscaping and lighting shall be incorporated as part of the submission on which the special permit of the Board of Appeals is based. Inserted at request of the Planning Board.

ARTICLE 54. To see if the Town will vote to hear and accept a report from the Board of Selectmen relative to the levying of User Fees for the disposal of solid waste in the Town Sanitary Landfill.

ARTICLE 55. To see if the Town will vote to raise and appropriate or transfer from available funds \$300,000 or any other sum for combined collection of refuse (rubbish and garbage) for the fiscal year ending June 30, 1974.

ARTICLE 56. To see if the Town will vote to raise and appropriate or transfer from available funds a sum for the disposal of refuse out-of-town.

ARTICLE 57. To see if the Town will vote to acquire, by purchase, by gift, or by seizure by right of eminent domain, all or portions of Lots 2 and 3 as shown on Assessors'

Map 141 and all, or portions of Lot 3 on Assessors' Map 121 and supposed to be owned by John J. & Timothy F. Cronin, Bette Brooks, John L. & Grace L. Cyr and to develop said lots for a sanitary landfill, to appropriate a sum of money not to exceed \$370,000.00 therefor, to see how said appropriation shall be raised either by taxation, transfer from available funds, borrowing or otherwise and to take any other action relative thereto.

ARTICLE 58. To see if the Town will vote to acquire, by purchase, by gift, or by seizure by right of eminent domain, all or portions of Lot 2 as shown on Assessors' Map 161, and all, or portion of Lot 4 as shown on Assessors' Map 162 and supposed to be owned by Nicholas H. Fitzgerald, and to develop said lots for a sanitary landfill, to appropriate a sum of money not to exceed \$960,000.00 therefor, to see how said appropriation shall be raised either by taxation, transfer from available funds, borrowing or otherwise and to take any other action relative thereto.

ARTICLE 59. To see if the Town will vote to raise and appropriate or transfer from available funds \$70,417 to supplement the appropriation made under Article 4 of this warrant for garbage collection, so as to extend said collection from June 1, 1973 to the end of the fiscal year, June 30, 1974.

ARTICLE 60. To see if the Town will vote to appropriate \$150,000 for the reconstruction of a section of River Street beginning at its intersection with Lowell Junction Road and extending northerly a distance of some 2100 feet and to determine how the same shall be raised by taxation, transfer from available funds including the unencumbered balances of the following appropriations voted at previous Town Meetings: Article 4 of the Special Town Meeting of August 21, 1967 for road improvements to the Lowell Junction Industrial area, Article 50 of the 1970 Annual Town Meeting for River Street improvements and Article 4 of the Special Town Meeting of October 5, 1970 for River Street improvements, or by any combination of the foregoing.

ARTICLE 61. To see if the Town will vote to appropriate a sum of money for the laying of water mains of not less than six but less than sixteen inches in diameter and construction of sewers to and within land thought to be owned by Nicholas H. Fitzgerald, Jr., d/b/a Willand Associates, to see how said sum shall be raised, whether by taxation, transfer, borrowing or otherwise, and to take any other action with respect thereto.

ARTICLE 62. To see what amount the Town will vote to permit the Assessors to use in free cash to reduce the 1973 tax rate and to offset appropriations voted at the 1973 Town Meeting.

ARTICLE 63. To act upon the report of the TOWN OFFICERS.

And you are directed to serve this warrant by posting attested copies and publication thereof, seven days at least before the time and places of said meeting as directed by the By-Laws of the town.

Hereof fail not, and make return of this warrant with your doings thereon, at the time and places of said meeting.

Given under our hands this thirtieth day of January, A. D. 1973.

What Our Readers Say

To The Editor of the TOWNSMAN:

With the current Sanborn school "crisis," the call to tradition in our schools rears its head again. But what tradition are we to follow...Socrates discoursing with his students in the marketplace, Jesus walking with his disciples through the grain fields or along a lake, The Dame school of colonial New England, the Greek and Latin oriented

British public school of "Tom Brown's Schooldays" or its American prep school counterpart of the 19th century?

One of the most nostalgic traditions in American education is the little red school house. It was replaced by the reformers of another day with each age separated into rooms. And in some ways the educational reforms of today are going back to parts of the little red school house...multi-age groupings, older children helping younger children. So who are the traditionalists? To yell that one must freeze education into some god given, unquestioned tradition before which we must all bow down is silly. It is not only silly, it

is to be King Canute commanding the waves. The people who arrive at school meetings don't come in a horse and buggy but in their latest chrome gadgetmobile. Many of them leave their color TV sets in the living area of an open concept house in a suburban development after shaving with a dual track razor. They are still digesting their prepackaged supper which gives them the energy to proclaim that education can only take place in a room with thirty 10 year olds, one teacher, a set of readers (McGuffey's of course) and two doors each 38 inches wide (the second only because the state fire marshal insists).

So let's not quibble about who are the traditionalists. Let us rather discuss what contributes to the education of our children. Let us question not only the changes but also the traditions...and not in the ugly, hostile mood that is the

antithesis of education but in a willingness to listen to many sources and traditions. There was supposed to be a ceasefire in Vietnam last Saturday. We need one in Andover too.

To the Editor of the TOWNSMAN:

This is in response to Mr. Dino Valz's letter in the Jan. 18 TOWNSMAN inquiring as to the scope of the Charter addition proposed for adoption at the next Town Meeting.

The proposed addition applies only to the Executive Branch of Town Government. At the present time the Selectmen have been assured by legal counsel that collectively they are the Executive policy board of Andover. However, nowhere is that clearly articulated in the Charter, leading to confusion,

and in certain cases to insistence that certain offices, boards, committees, or Andover representatives to boards are beyond the policy purview of the Selectmen. The proposed addition spells out in clear language what legal authority says is implicit in the present Charter.

The proposed addition does not and cannot take away any authority of Town Meeting and its agencies as the "ultimate" policy-making body of the Town and the only Legislative Branch of Town Government. Further, it also does not extend to any committee, board, or representative where there is existing public law to the contrary, for example, the School Committee, or the Planning Board in the exercise of their statutory duties, or the Zoning Board of Appeals in the exercise of their quasi-judicial duties.

Notre Dame

By Steve and Glen Brody

Notre Dame pulled the biggest upset of the season last week, dumping Oklahoma from ranks of the undefeated. Both Panthers and the Knicks won their second straight upset game.

In the Junior division, Panthers dumped the second place Tigers 8-2 behind sharpshooting of Mike Muldoon who swished 8 points. Rob Brody, Chris Witt and Robinson led a tough defense with help from Dave Gusin and G. Hall. Dave Nardone the Tigers only two points. C. Bedell, Jim Driscoll, Mike Y. and Steve Adiconis rebounded well, while Rich Gusimini, Burgess, Mark Newton and Nolin played well on defense.

The first place Cougars their record to 6 and 1, topped the Dolphins 6-2. Bob Wil and Rich Sambuco hit for 44 points respectively for Cougars. Dave Carrigan, Nichols, Ira Gold, Keith O. Glenn and Gary Rousseau May, Yelle and Joiner tributed good passing and hustle. For the losers Keegan connected for two points. Karl Reinker, Mike McDon Victor Nikonchuk, Mark So. Eric Teichert, Tom Maccar Jim Kolarick, Ro Pascarella, Andy Donovan Steve Goodman had some assists.

In the battle to keep out of cellar Jacksonville edged C. 20-19. High point-getter Jacksonville was Tom C. with 5 crucial hoops, second was Danny Russo, two field goals and a charity toss. Other scorers for the winners were Callaghan with 3 big ones, Oelwang with 2 points. Robinson played well on defense. Cornell was led by Solomon and Bob Beaudine buckets each. Frank Pe had three points. Timmy T. and Willy Nickonchuk hit for points apiece.

Villanova destroyed UConn 16 behind the brilliant scoring. Capt. Eric Sullivan was spectacular 32 points. He followed by Willy Washburn, Bob Fitzgerald's 6 and Sambuco's 4 points. UCLA was Mark Winer points. Also scoring for Bruins were Mark Brennan three buckets, and Perlowski with a hoop.

Nebraska topped Ohio State 12 to clinch first place in the division of the Junior Eddie Collins lead Nebraska 11 points; Dave Heidt had points; and Kevin M. Notre Dame pulled the biggest upset of the season last week dumping Oklahoma from the ranks of the undefeated. Both the Panthers and the Knicks won their second straight upset game.

In the Junior division, the Panthers dumped the second place Tigers 8-2 behind the sharpshooting of Mike Muldoon who swished 8 points. Robyn Brody, Chris Witt and Dave Robinson led a tough defense with help from Dave Gusimini and G. Hall. Dave Nardone got the Tigers only two points. Chris Bedell, Jim Driscoll, Mike Yuska and Steve Adiconis rebounded well, while Rich Gusimini, Jim Burgess, Mark Newton and Eric Nolin played well on defense.

The first place Cougars ran their record to 6 and 1, topping the Dolphins 6-2. Bob Wilkens and Rich Sambuco hit for 4 and 2 points respectively for the Cougars. Dave Carrigan, Guy Nichols, Ira Gold, Keith Olsen, Glenn and Gary Rousseau, J. May, Yelle and Joiner contributed good passing and fine hustle. For the losers Viny Keegan connected for two points. Karl Reinker, Mike McDonald, Victor Nikonchuk, Mark Souter, Eric Teichert, Tom Maccaronee, Jim Kolarick, Robert Pascarella, Andy Donovan and Steve Goodman had some good assists.

In the battle to keep out of the cellar Jacksonville edged Cornell 20-19. High point-getter for Jacksonville was Tom Curtin with 5 crucial hoops, second high was Danny Russo, two field goals and a charity toss. Other scorers for the winners were Dave Callaghan with 3 big ones, Bob Oelwang with 2 points. Rob Robinson played well on defense. Cornell was led by Marty Solomon and Bob Beaudine with 3 buckets each. Frank Pelletier had three points. Timmy Tiernan and Willy Nikonchuk hit for two points apiece.

Villanova destroyed UCLA 51-16 behind the brilliant scoring of Capt. Eric Sullivan with a spectacular 32 points. He was followed by Willy Washburn's 9, Bob Fitzgerald's 6 and Andy Sambuco's 4 points. Leading UCLA was Mark Winer with 8 points. Also scoring for the Bruins were Mark Brennan with three buckets, and John Perlowski with a hoop.

Nebraska topped Ohio State 29-12 to clinch first place in the West division of the Junior league. Eddie Collins lead Nebraska with 11 points; Dave Heidt hooked in 6 points; and Kevin Muldoon, Terry Reilly and Dave Donovan each swished two hoops. Robert Adiconis backboned a tough defense. For the Buckeyes Dave Farrell gunned in 10 points, while Rusty Serbagi rifled in 2 points. Paul Bracken, Todd Bateson, Tracy Hughes and Peter Newton played tenacious defense.

In the final Junior division game Notre Dame upset Oklahoma 43-39. At the half Oklahoma led by 10, 28-18, but behind the great shooting of Owen Keegan and Greg Nicastro and the fine offensive rebounding

of Bob Reilly the score was tied with two minutes left 37-37. Keegan and Jim Arnold traded hoops before Scott Hughes hit two free throws and Keegan hit a bucket to ice the game. Keegan led Notre Dame with 20 points, Nicastro had 15 points and Reilly and Hughes had 4 points each. Mark Bedell, Mike Franzese and Jerry Nuthman all provided good hustle. Jeff Bragdon lead all scorers with 27 points while Arnold connected for 10. Rick Heislein also had a hoop for the losers. Ted Teichert and Tim Cronin played well for Oklahoma.

In the Intermediate division the Knicks and the Bucks remained tied for first place in the second half of the season with 2-0 records. The Knicks clubbed the Trailblazers 52-27 behind the hot fourth quarter shooting of Paul VonSacken who had 14 of his 23 points in the last period. The score was 25-17 Knicks after three but a 27-10 spurt gave the game to the Knicks. Following VonSacken in the scoring parade were Joe Grillo with 12 points, Bob Murry with 11 and Tommy Sambuco with 6.

For the Blazers Jeff Smith stuffed in 16 points Gary Schneider swished three baskets, and Jim Morin fired in 5 points. Brian Sullivan also passed well and had some good assists.

The Bullets edged the Hawks 38-32 as Luis Pizzaro and Bill Emmert led the Bullets with 16 and 13 points respectively. Mark Conlon tossed in 3 points while Brenden Reilly and Mike Witt got a hoop apiece. Dave Wilson contributed some fine board work. Ricky Collins led the Hawks with 13, Fred Rau had 12, Dan Ackroyd 5, and Tom Lucere stuffed a bucket. Dan Rush lead a hustling defense.

In the final Intermediate game the Bucks trounced the Celts 56-46. Mark Skinder tipped in 24 points, George Bragdon hooked in 22 and Bob Muldoon gunned in 10. Scott Hammer led all scorers with 34 points while Mike Issenberg tickled the twine with 6. Matt Billings and Phil Nikonchuk rounded out the scoring with 4 and 2 points.

Next week games will take place in the Pee-Wee division and the Intermediate division as usual, but the Junior division, which has finished their regular season will have a foul shooting

contest beginning at 1:30. On Saturday, Feb. 10 the play-off games will start with Villanova vs. Jacksonville for fifth place and UCLA vs. Cornell for seventh place at 1:30. Notre Dame against Ohio State for third place and Oklahoma against Nebraska for the number one spot will begin at 2:15.

both BWL teams had their races postponed. The Andover West meet with Waltham West has been rescheduled for Sunday, Feb. 4 at Waltham. Please report at 8 a.m., race to begin at 9 a.m.

The Andover East meet with Concord will be held at Groton Sunday, Feb. 4, 8:15 report - race begins 9:15.

We feel that the success of the recent race meets is largely due to the excellent support provided by parents on race days. For a race to move along smoothly there is a need for gate keepers, starters, timers, recorders, people to distribute and collect race bibs, helpers with registration and many other tasks. Even though the parent turn out has been good, we would like to see more of you at the races. Since many of the jobs require people to stay on the course (in the cold) for several

It's Not Candy

Most youngsters like candy. Many youngsters don't like medicine. Some medicines are sweet, some are colorful. Parents want sick children to take medicine in order to get better.

So - parents may tell a child that medicine is like candy or that it is candy. Very little difference, in a child's mind, between those two statements. Many children are poisoned each year by self-administered medicines. Some die.

Tell your child, "This is medicine. You must take it to help you get better." Or put it in with a little food. Or crush the tablet for easier swallowing. Or just insist quietly.

Protect your child with the truth.

hours, if more of you were there we could rotate the helping parents. It would be helpful to know which of the parents will attend the races and are willing to help several days before the race so that we can make pre-race assignments. We would welcome volunteers on the day of the race. Those of you who have not received an assignment before race day, please contact the race chairman, Peter Price - East and Mike Smotrich - West when you arrive at the race and they will be glad to tell you where you can be of assistance.

At the last Buddy Werner League meeting coaches of each team went over the previous race carefully pointing out problems to racers. Chairman Bud Eaton read the names of racers who won ribbons and Dick Coombes awarded hat ribbons. BWL hats are available to racers who have earned at least one team point for \$6.

Many of the racers received valuable training by attending race camps during the Christmas vacation. I would like to encourage you to investigate the various race camps which are available in the local area during the February vacation. I am sure that your skiing and racing ability will improve as a result of race camp. Please speak with your coaches or Ed Hostetter on the results of his survey on local race camps. Ski practice will be held next Wednesday, Feb. 7, at Bradford, with Ted Sutton. Please be there at 6 p.m. sharp with your skis on. Practice is between 6 and 7:30 with skiing following from 7:30 to 10.

Movie Saturday

The Sanborn School PTA will conduct a movie program Saturday, Feb. 3, in the school cafeteria from 1 to 2:30 p.m. for elementary school children.

Showdown Week In Church Lg.

This is "showdown week" in the Andover Church Basketball League, with key first place games between undefeated teams being staged in all three divisions.

In the Junior Division (8 and 9 year olds), the Globetrotters remained unbeaten by edging previously - undefeated St. Robert's 1 by a 10-8 count.

In the Intermediate Division (10-12½ years), three-time defending champ West Parish A will duel St. Robert's A for sole possession of first place next Monday night. Both clubs will enter the clash with identical 5-0 records.

Intermediate Division action slated for last Monday night was postponed because of the snowstorm. Arrangements are now being made for a rescheduling date.

In the Senior Division, the key battle for the top spot was to take place between defending champ St. Augustine and challenging West Parish A. Both clubs entered this game with 4-0 records.

The Globetrotters lifted their perfect Junior Division record to 4-0, riding the clutch shooting of Robin Brody, Mark Newton and Donald Green to victory over St. Robert's 1.

Robin Brody and Mark Newton tossed in 4 points apiece, while Donald Green netted 2 points for the Trotters.

Howie Lebowitz and Eric Fredette pumped through 4 points each to spark the St. Robert's attack.

St. Robert's 2 squared its record with a 12-2 romp over the Superstars.

Craig Lebowitz poured in 8 points for the victors. Single baskets were added by Richard Adams and Ted Liscenzakis.

Joe Zemis prevented a shutout by dumping in 2 points for the Superstars.

The final Junior Division battle saw the Bullets and Tigers struggle to a 4-4 tie.

Jim Dwyer notched all 4 points for the Bullets. Ernie Costello and Steve Paradis had 2 points each for the Tigers.

Health Careers Day Set

On Feb. 5, the Lawrence General Hospital will welcome approximately 100 high school students for Health Careers Day.

The purpose of this program is to interest area students in the various "para-medical" occupations that can be performed within the hospital. Students will receive detailed information about the in-hospital training available in such areas as radiology, respiratory therapy and laboratory technology and will learn how to begin training in these programs. Guidance counselors from the local high schools have been asked to suggest the names of students who would benefit from this Health Careers Day.

The highlight of the day will be a tour of the hospital where students will see such departments as laboratory, x-ray, dietary, medical records, physical therapy, laundry and the new nursery. Many of these departments are preparing displays for viewing in Kurth Auditorium. After a bag lunch, students will walk to the Rehabilitation Center where they will learn about speech therapy, audiology, and detoxification. At the conclusion of the day's activities they may sign up to

return to the department of their interest for in-depth study.

Chairman of this year's Health Careers Day is Mrs. Howard M. Gardner. She is assisted by Mrs. Vincent P. Morton, program; Mrs. J. W. deConstant, Mrs. Louis Warlick and Mrs. William Eckerson, tours; Mrs. Clifford Elias, transportation; Mrs. Peter Coughlan, posters; Mrs. Thomas Lamson and Mrs. Peter McKee, health careers booklet.

Citizen's Lobby To Meet

Students Vacation In Alps

Castle Secretarial School students boarded the plane at Logan Thursday, Jan. 25, at 9 p.m. for their non-stop flight to Zurich. A second flight is scheduled to take them from there to Geneva from where they will travel by bus through the scenic Alps of Switzerland to their destination, Anzere.

Anzere is located in the famous Valais region of Switzerland. Its slopes are picture perfect with more than enough lifts. The students have looked forward to their stay in this Alpine village where country life still continues and fascinates by its simplicity, and where they hoped to play and sport in the snow on slopes where the sun reigns supreme.

Members of the faculty who will accompany the students include Mrs. Charlene Kane and Miss Mary Eastman. Two students from Andover will be touring Switzerland: Miss Diane Crossley, the daughter of Mr. and Mrs. John F. Crossley; and Miss Dorothy D. Piercy, the daughter of Mr. and Mrs. George Piercy.

Bantams Up Record To 7-5

The Andover Bantam hockey team posted a pair of victories over the past weekend to raise their season record to 7-5. The victories gave them seven in the past eight games.

On Saturday night Andover rolled over the Brunswick, Maine, Bantams 8-3 in a game played at Phillips Academy.

The two teams played evenly through the first period as they each scored two times.

Brunswick's Mike Watson opened the scoring at the 45 second mark but Rich Daly scored his 7th of the season on assists from John Fabiani and Chuck Redman at 5:38 to tie the game at 1-1.

At 8:59 Mike Watson again gave Brunswick the lead but at 10:58 Mark Farnham combined with Tom Lawler and Alan Kurth for his 9th of the year to again knot the score.

After only 23 seconds of the second period Brunswick had again taken a one-goal lead but it was all Andover from this point on.

At the 6:37 mark Lawler notched his 8th with Kurth and Farnham assisting and less than a minute later at 7:15 Lawler came through again with the eventual game winner. Kurth and Dale Crossan drew assists.

At 7:29 Lee Appgar added his 5th of the season with Tim Tanner and Jim Watson assisting.

In the third period Andover added three more tallies to put the game out of reach. Farnham (10th), Kurth (12th) and Fabiani (4th) were the goal scorers. Drawing assists were Lawler (2), Kurth, Watson and Daly.

On Sunday the team travelled to Dartmouth College and backed by the spectacular goaltending of Brian Twomey the Andover sextet skated to a 7-0 shutout at the expense of the Hanover, N.H., Bantams.

Andover got off to a 3-0 first period lead as they played tight defense and took advantage of their scoring opportunities.

At the 54 second mark Rich Daly fired home his 8th on assists from John Fabiani and Tim Tanner.

At the 2:02 mark of the period "Sparky" Farnham notched his 11th as he combined with linemates Alan Kurth and Tom Lawler and at 10:17 Tanner scored his 4th with Lee Appgar and Fabiani assisting.

In the second frame Lawler scored his 10th and 11th to give Andover a 5-0 lead. Farnham assisted on the first at 7:32, a short-handed effort, and Fabiani assisted on the second at 8:54.

Tanner scored again in the third frame as he converted a pass from Rich Daly and Captain Alan Kurth scored his 13th at 11:06 on an assist from Rick Moody.

Andover has three games slated for next weekend - Friday at Worcester, 8 p.m.; Saturday vs. Concord, N.H., at P.A., 6 p.m. and Sunday vs. Pittsfield at P.A., 9 a.m.

**Murphy Is
New Chairman
Of Company**

Lanham Clothes, Lawrence, has announced the appointment of Robert J. Murphy to the new position of Chairman and Chief Executive Officer. Mr. Murphy was previously president of L. Greif and Bro., one of the country's leading clothing manufacturers.

A graduate of the U.S. Naval Academy (1950) and a Marine Officer during the Korean War, Mr. Murphy joined Greif 17 years

ago. He had previously been an industrial engineer with Vanity Fair (now V-F Corp.) in Alabama. At Greif, Mr. Murphy held successively important positions in the factory, becoming production manager in 1953, general manager of manufacturing in 1955, and vice president in charge of manufacturing in 1967. He was named president of Greif in 1971.

Over the years, Mr. Murphy has pioneered and introduced many technological innovations to the clothing industry. In 1972, he launched the industry's first commercial use of laser beam cutting. He was also deeply involved in the computerization of production planning, the fusing of fabrics, and in fabric stabilization - all designed to increase productivity and to lower costs while maintaining high standards of quality.

A native of Wilmington, N.C., Mr. Murphy, his wife Molly and their five daughters plan to reside in Andover.

**Scheinfein
President
Of Sales**

Robert M. Scheinfein was elected vice president for sales by Data Precision Corporation's board of directors, Harold S. Goldberg, the electronic instrument company's president announced.

According to Goldberg, Scheinfein has played a major role in developing Data Precision's precision digital multimeter marketing and sales capability over the past two years. Prior to his election, Scheinfein had served as sales manager since joining the company in 1971.

Data Precision is a leading manufacturer of electronic measuring instruments for in-

dustrial, commercial and military applications, including the model 245 multimeter, the first and only low cost, pocket-sized digital multimeter that has the performance of expensive laboratory instruments. The 245 is the latest instrument to evolve from Data Precision's series 2000 family of precision digital multimeters.

Scheinfein has more than 20 years experience in electronic instrumentation and sales, including marketing manager of EMC Division of Chandler Leasing Corporation, and as marketing consultant for a number of Massachusetts-based companies. He holds a bachelor's degree in economics from Purdue University School of Science.

Scheinfein, his wife and two sons reside in Andover.

**Cronin Sees
Post-War
Aid Vital**

Post-war aid will play a key role in helping to establish peace between South and North Vietnam, Congressman Paul Cronin has predicted following a series of briefings by Secretary of State William P. Rogers, Ambassador William Porter and key members of their staffs and by Presidential advisor Henry Kissinger.

"I met privately in my office with these gentlemen in order to be fully informed on the status of the peace talks and of the events leading up to the signing of the peace agreement," explained Cronin.

"I feel that the only way to evaluate any issue is to know as much as possible about it before it comes up for a vote. My private briefings gave me a full appreciation of the problems that had to be solved before final signing of the peace treaty."

Cronin said the briefings were a first step in what he hopes will be his "continuing education in foreign affairs," adding, "I have developed an excellent understanding with the Secretary and other members of the Department of State and I intend to continue these briefings so that I will have a very high level of awareness of our involvements and our commitments around the world."

Cronin said he believes this awareness "will be translated into intelligent reaction to our national involvement and hopefully into enough knowledge to make good decisions in the Congress of the United States in months and years ahead."

To Offer A Choice In Foreign Language

New foreign language alternatives at the Andover junior high schools will offer a year-long exploratory course into the language and culture of four foreign countries to incoming seventh graders who are not ready to choose one language for intensive study.

During two weeks that Committeeman Dr. Frank Griggs has been publicly wondering whether foreign languages have outlived their usefulness in Andover's secondary schools, the TOWNSMAN learned that the foreign language departments have blocked out a completely revamped program.

Three tracks will offer a choice of intensive, exploratory or independent studies in languages. (The program will begin simultaneously with the new interdisciplinary, team-organized seventh grade program described in last week's TOWNSMAN, and will be extended to the eighth grade level the following year.)

The new program will bring a middle school philosophy ("the exploratory years" - from the fifth or sixth to eighth grade) to foreign language study; it was developed by the secondary foreign language teachers in answer to a steady drop-off in foreign language study enrollments, to student criticism over lack of alternatives, and to administrative urgings.

Track I will comprise intensive study of one language, as in present language courses, except that all students will be placed on a continuum, to proceed at their own pace in a more individualized method of instruction than has been traditional in language classes. For instance, there will probably be conversation groupings within each class.

Track II will be the new exploratory course for students who want to have some basis for making a choice between languages, and also students who do not have the motivation or capability for intensive language study - or don't think they have, as they enter seventh grade. One quarter of the school year apiece will be devoted to the cultures of the four languages taught in the Andover schools - French, Spanish, Russian and Latin. There will be simplified Berlitz-style instruction in simple conversation and basis of grammar in each language, plus the culture of the country - its history, geography, art and music.

Track III will be a materials-oriented course of independent study in any language a student chooses, whether or not it is regularly taught in Andover classrooms. Swahili? Chinese? Italian? Yes. This track will depend on packaged materials, tapes, etc. which the school will procure. This third alternative is a completely individualized track which a student can pursue under guidance of a faculty advisor. All tracks continue into the eighth grade the following year.

The crux of the program, according to Douglas Halsted, Foreign language department head at West Junior High, is the provision that any student in the four-country exploratory Track II can stop at any point, when he finds a language he wishes to

concentrate on, and switch to a course in that language alone. This is possible at any point of the year, Halsted says, because students in these intensive language classes will be at different points on a continuum, instead of the class proceeding at one pace, with a new student hopelessly behind.

Halsted says the continuum will work its way up into the high school, to include all language students 7-12, the point is to make entry to foreign language study more flexible, and better suit individual students' needs.

"There's a definite need for different approaches," Mrs. Suzanne Coates, head of East's foreign languages, told the TOWNSMAN. "because not all students come to us motivated and capable of intensive language study." She warned that teaching students at different points on the continuum in language classes presented problems, unless more aides would be available for the different conversation groups. "And a student who is not motivated in a regular class will not automatically be motivated in individualized Foreign language study."

Whatever else it does, the new foreign language program will increase the options for junior high students. At present the only electives offered are courses in a foreign language, or its alternative - developmental reading.

School committee discussion of the foreign language expense budget of \$14,000 last Tuesday led to a committee request, initiated by Committeeman William Lane, that the administration report back on what a 10 percent school budget cut would do to the educational program.

Committeeman Dr. Richard Katz, retiring in March after six years on the committee, reacted strongly to the suggestion of saving through larger classes: "I sound more and more like Bill Doherty every year. When I came on the school committee six years ago, we were trying to increase the faculty, to get classes down to the size where kids could learn something. Now you're talking about making classes bigger! Remember, the most important thing in education is still the teacher, in spite of the gadgets."

Lane said he wasn't at all sure they wanted to cut, but felt the committee ought to know what would happen if they did. "It's part of communicating with the public. If we communicate properly, there won't be any messes like 'the Sanborn incident.' Dr. Griggs agreed "We should have the information to answer people at town meeting."

Chairman William King countered that it was too late in the budget process. "And besides, we gave the professional administrators a dollar limit and they lived within it."

But Superintendent Dr. Kenneth R. Seifert agreed with Lane that "it would be a useful thing to go to the trouble to show what it would do to the program, and we'll bring it back, but what are your priorities?"

The agreed priorities, voiced by Dr. Richard Katz: (1) Basic skills (2) other educational experiences that are not basic

skills, but also including remedial work for those with learning handicaps (3) extracurricular activities.

Committeeman Frank Hill made the point, which Dr. Seifert endorsed, that it is better to drop certain whole programs that are lowest in priority, than to "nickle and dime" every program to death with expense budget cuts.

By this week, Dr. Seifert told the TOWNSMAN he and Business Manager Ed Weil were well into the budget, to show what would happen if \$1.2 million plus were cut from the budget, according to the priorities. He said more than 40 programs so far were marked that would be dropped or cut way back in such an event.

Andover Remains Carved Up

Andover will remain in a carved up district for representation at the state house under a proposal to be presented to the legislature.

Already serged by four Representatives in the General Court from outside the town, the new redistricting plan will distribute Andover's six precincts among all of North Andover and section of Lawrence.

Rep. James P. Hurrell who serves North Andover and precincts one, five and six in Andover, will have precinct one in Andover removed from the district. Precinct one will be placed in with precinct three and South Lawrence. Precincts 2 and

Capt. Hensel Graduates

U.S. Air Force Captain Ralph L. Hensel, son of Mr. and Mrs. W. G. Hensel of 11 Arcadia Road,

Andover, has graduated from the Air University's Squadron Officer School at Maxwell AFB, Ala.

Captain Hensel was specially selected for the 14-week professional officer course which prepares junior officers to perform command and staff duties required by the Air Force.

The curriculum covers communicative skill, leadership, human relations, national security, management resources and international relations.

The captain is assigned at Mather AFB, Calif., as an instructor pilot with the Air Training Command which

provides flying, technical and basic military training for Air Force personnel.

He has served 12 months combat duty in Vietnam where he earned the Distinguished Flying Cross and seven awards of the Air Medal.

Captain Hensel was commissioned in 1967 upon completion of Officer Training School at Lackland AFB, Texas.

A 1963 graduate of Andover High School, he received his B.A. degree in business administration in 1967 from Parsons College in Fairfield, Iowa.

Three Way Tie Possible As Season End Nears

In the 33 and over division of the Andover 30 and over Basketball League, Dana's upset the Sweepers 43-35 to make it possible for a second-half season three-way deadlock for first

place if Dana's can top the Strobes and the Sweepers are able to beat the winless Pick-ups in their final season games tonight.

If the Strobes, 4-1, should win then they will automatically win the second-half standings and meet the first-half champion Sweepers in a playoff for the overall championship.

In Dana's upset victory, Capt. Vito Caiati swished 14 points through the nets as Les Gilbert fired in 12 points, John Leeman 9 points, Dennis Hughes 6 points and Jim Baas 2 points. The Sweepers were led by high scoring Fred Serley 12 points and Ken Schenk 10 points with help from Milt Beaudine 6 points, Dick Stevens 4 points, and Marty Solomon 3 points.

The Strobes kept their division lead by zapping the pick-ups 53-32. The Strobes were led by the hot hands of Joe Carbone 17 points, as Lloyd Belbin zinged in 12 points, John Waitkus 8 points, Robert Marcotte 7 points, Capt. Richard Marciano 4 points, John Ronan 4 points and a charity toss by Frank Griggs. For the Pick-ups Dave Moorhead rimmed 10 points, Bob Cratty 8 points, Gary Nevers 5 points, Dave Franck 3 points and 1 bucket each by Capt. Jim Caselden, Don Kramer and Wally Charewicz.

In the 19-32 division two games were played this week by each team that did not draw a bye. In the first game the Panthers topped the Drivers 82-56 but the Panthers only held a slim 3 point lead at the half and a 9 point lead going into the final quarter but Capt. Frank Monette tossed in 16 points in the final quarter for the Panthers to ice the victory. Frank Monette led the Panthers for the game with 36 points, Mark McGuire tossed in 18 points, Dan Shlakis 11 points, Chris Garavanian 6 points, Bob Towne 5 points, Jim Landry 4 points, and Mickey Jako 2 points. For the Drivers Bill Alsop swished 22 points, Capt. George Brouder tossed in 8 points as did Bill Thinnies and Joe Wishcamper and George Brattin had 5 points and Rick Pruneau ended the scoring with 4 points.

In the second contest the Embassy crumbled the AIB 78-42, as league-leading scorer Jack

Swift fired in a season high of 37 points to lead the Embassy with Capt. Don Strong banking in 25 points, Wally Gardner 8 points, Barry Flieder and Noony Costello 4 points each. The AIB was led by H. Brown 14 points, M. Allen 12 points, Ron Regis, M. Provenzano and V. Douvrou all with 4 points apiece and a bucket each by Bob Regis and T. Fava.

In the Embassy's second game of the week they moved their second-half lead to two games and a 5-0 record, 10-1 over-all as they slipped by the tough Hornets 60-54. The Embassy who had a very cold first quarter were on the short-end 16-5 but kept chipping away and were within 5 points at the half. Both teams then traded baskets in the third stanza and the Hornets maintained their five point lead entering the final quarter 42-37 but the Hornet's Lew Jones and John Jungck fouled out of the game and the Embassy's Capt. Don Strong got hot scoring 15 points in the quarter to pull out their tenth victory of the season. Their only loss of the season was to the Hornets.

For the game Capt. Don Strong led both teams with 23 points followed by teammates Jack Swift 17 points, Wally Gardner 7 points, Bill Merrit and Noony Costello 4 points each, Tom Andrews 3 points and a 2 point bucket by Bill Doherty. The Hornets were led by Jim Earley 22 points, John Jungck 16 points, Lew Jones 6 points, Capt. George Saalfrank and Dick McAnear 4 points each and 2 points from Dick Corry. In the final game the Panthers wheeled by AIB 88-42 as Alan Kenney led the way with 26 points followed by Mark McGuire 22 points, Capt. Frank Monette 20 points, Dan Shlakis 14 points, Jim Landry 4 points and Bob Towne 2 points. AIB was led by H. Brown with 30 points for game honors and J. Myhal 6 points, Ron Regis 4 points and Bob Regis 2 points.

Townsmen Planning Auditions

The Greater Lawrence Chapter of the Society For The Preservation and Encouragement of Barbershop Quartet Singing In America, Inc. has completed a busy season which included singouts at Archibeault Towers in Lowell, Danvers State Hospital, and Bon Secours Hospital in Methuen.

The Chapter, which calls itself The Andover Townsmen, is planning a series of "Auditions For Admissions" in the surrounding towns of Wilmington, Lawrence and Billerica in February. The details on each will be publicized very soon by Jack Gardner, Adm. Vice Pres. of Tewksbury. These auditions are part of a concerted effort to enroll new members. A singing group of more than 35 to 40 is our goal.

The Townsmen meet regularly at South Church in Andover, Mondays from 8 to 11 p.m.

The Chorus is supported and represented by several quartets within its membership. Two of these, The Peer Four and The Lost Chords have enjoyed full schedules at nursing homes and social functions in the Merrimack Valley area.

Macrame Offered

A few openings remain for a women's morning course in Macrame which will be conducted by the Andover - North Andover YMCA beginning on Friday of next week, (Feb. 9). The class will meet at the Andover YMCA facility, 10 Brook St., Andover, 9:15 - 10:45 a.m. under instructor Mrs. Shirley McDowell. Registrations are being accepted, in the order received, at the Andover Y office.

CONCENTRATION is the key to success as evidenced by the efforts of Stephanie Griggs of Brownie Troop 65 during the group's meeting at North Parish Church.

Cronin Is Assigned Committees

Congressman Paul Cronin has been assigned seats on the Science and Astronautics Committee and the Interior and Insular Committee, it has been announced.

The committee assignments, said Cronin, will enable him to sit on matters dealing with environmental, aerospace and energy legislation, and in the areas of urban national and industrial parks.

The Committee on Interior and Insular Affairs sits on legislation involving: military parks and battlefields; national cemeteries administered by the Secretary of the Interior; forest reserves and national parks created from the public domain; geological survey; interstate compacts relating to apportionment of waters for irrigation purposes; irrigation and reclamation, including water supply for reclamation projects; mineral and mining interests; public lands and measures relating to the care, education and management on Indians.

The committee, said Cronin, will be working on water pollution and energy crisis legislation.

Cronin said he hopes to promote research and development on the depressed Rte. 128 engineering belt while serving on the Science and Astronautics Committee.

That committee sits on legislation involving astronautical research and development, including resources, personnel, equipment, and facilities.

It is also involved in affairs dealing with the National Aeronautics and Space Administration; National Science Foundation; Science Scholarships; Outer space, including exploration and control; Scientific research and development; and the Bureau of Standards, standardization of weights and measures and the metric system.

His assignment to this committee, said Cronin, will be helpful since Aerospace is one of the principal industries in the Fifth District.

The Chinese have an ancient proverb which says, "Dig a well before you are thirsty," and they dug many wells. Some were from 1,000 to 1,500 feet deep.

PEACE

Peace, though fragile, has come at last.

Within the past week, a cease fire has gone into operation in Vietnam, thus closing what is considered a dark chapter in America's history.

The threat of 'brush fire wars' so-called, will be with us always we fear, but, maybe, we as a nation, and the world, may have come to the realization that negotiation is a far superior method of solving international differences, than through the use of armaments.

For man, in infinite quest for ultimate achievement, has developed weaponry capable of global destruction and placed it accessible to a fingertip, should verbal negotiation fail.

As peace comes, we are mindful of those, whose supreme sacrifice is permanently etched.

Grateful, is a token expression of the feelings of our communities to these men, casualties of the conflict:

PFC George H. Belanger, 20, son of Mr. and Mrs. George H. Belanger, 149 Greenwood Road, Andover.

SP4 Joseph P. Candiano, 19, son of Mr. and Mrs. Joseph Candiano, 18 McKenney Circle, Andover.

Capt. Gerald F. Currier, 29, Andover, husband of Janet Currier.

SP4 Warren C. Deyermund, 20, 59 Memorial Circle, Andover, son of Mr. and Mrs. Calvin C. Deyermund.

Sgt. Michael R. Dunn, 24, son of Mr. and Mrs. Maurice F. Dunn, 455 Stevens St., North Andover.

SP4 James P. English, son of Mr. and Mrs. James P. English, 21 Ash St., North Andover.

Navy Corpsman Richard A. Gilbreath, 19, son of Mrs. Peter Szymanowski.

Second Lt. Brian O'Connor, 26, 53 Magnolia Ave., Andover, son of Mrs. Peter O'Connor and husband of Nancy.

L/Cpl. James A. St. Cyr, 19, 36 Water St., North Andover, son of Mr. and Mrs. Augustine St. Cyr and husband of Nancy.

The Dump

Monday's hearing by the state health authorities relative to Andover's dump problems was a mere formality.

Much of the testimony presented to the representatives of the state was merely a repetition of what they already know - that Andover is making an effort to resolve the problem, is aiming at relieving pollution problems at the Chandler Road site and intent on once again trying to obtain a new site in March.

About the only thing of import, was the "off-the-record," indication that the town meeting in March will be the last chance Andover will have to comply with state orders.

It has been over a year, now, since the state initially cited the town for violations at the Chandler Road location. What has happened since would appear to be well-known with the town meeting efforts etc.

It now is more than apparent that town meeting in March be presented with all facts concerning in-town disposal as well as out of town possibilities.

We feel confident that an ultimate decision will be made in March, based on all facts.

It is more advantageous to make the decision locally, than to be compelled to succumb to state order and direction.

The Candidates

It would appear that Andover is headed toward an active election campaign in the next few weeks.

An unusual outpouring of candidates for town office will be seeking support of the electorate come March 5.

As of the deadline for filing on Monday, two attorney's seek the post of moderator being vacated by Atty. Arthur Williams, five will be seeking two spots on the board of selectmen and eight will ask election to two seats available on the school committee.

With such interest, it would appear that Andover's

political fortunes are in good shape.

Such interest also indicates there will be an upsurge in coffee consumption between now and March and telephone lines will no doubt be hot, as a typical Andover campaign warms up.

Off The Top

Of The Desk

Controversy can still center on men's hair styles, but when it comes down to the nitty-gritty of appearance, apparently love has a way of conquering all fashion.

A young collegian recently visited a local barber shop and requested the tonsorial artists, to give him, "a hair cut to meet the prospective inlaws."

A considerable time later he was thoroughly shorn of his once-lengthy locks.

Apparently, from all appearances he met approval, since plans are proceeding with impending nuptials.

Monday's snowfall provided material of proper consistency for youthful engineers.

Youngsters at recess at the Kittredge school, North Andover, were busily engaged in the process of building forts, walls, etc., by carving huge chunks out of the snow, adequately frozen to sufficient size.

In some areas of the school yard, they were unknowingly, no doubt, providing an excellent windbreaker, or snow fence, with their artistry.

Some of the curse of a broken cigarette machine was tempered by a notice placed over the coin slot.

Those suffering "nicotine fits," while attempting to satisfy their craving were notified as follows:

"Temporarily out of order in keeping with the surgeon general's warning."

We feel confident that those attending a meeting in St. Augustine's School Hall tonight will be treated to a rather accurate accounting of Andover's history.

Junior high pupils at St. Augustine's have been working on an Andover history project for some time and their reports will be given tonight from 7:30 to 8:30 in the school hall.

Based on the young man who visited the TOWNSMAN office seeking pertinent information, we feel the reports will be entertaining and enlightening.

A few weeks ago we commented in this space about the crowds attracted to the Providence Civic Center by the Providence College basketball team.

This past weekend, with local and national television cameras on the Friars vs. Jacksonville Saturday afternoon game, there were 11,800 in the stands, a new record for the Civic Center.

The Friars are practically assured of sellout crowds for the remainder of their home games.

We never cease to be amazed by motorists on superhighways.

Sunday night, with radio reports of multiple-car pileups on expressways in and around Boston, and a very apparent glaze on the pavement, cars roared along Route 495 at 65 miles per hour or better.

In addition, drivers ignored the

safety of plows or sand trucks, speeding by the vehicles on the highway.

Two new evening courses are being offered in adult education spring term at the Essex Agricultural and Technical Institute. Registration for these courses will be held in Room 104, Berry Hall at the first class meeting on dates below, beginning at 7 p.m.

Home Grounds Improvement, 10 weeks, beginning February 13 classes meet weekly from 7 to 9:30 p.m. This course is designed for the homeowner and will cover lawn construction and maintenance, tree and shrub care, plant propagation, and caring for the home garden.

Landscape Design and Technology, 11 weeks, beginning February 16 classes will meet weekly from 7 to 9:30 p.m. Class lectures will include history of landscaping, visual design and communication, architectural construction, plant materials and design, field trip of Institute grounds and greenhouses.

Frank McHugh, landscape architect and planner, will conduct these courses. He is a well-known horticulturalist, author, lecturer and feature writer for the Boston Globe.

These courses are conducted in cooperation with the Department of Education, and free to county residents.

The Boston Opera Association has announced the thirty-ninth annual Boston season of the Metropolitan Opera which will open on Monday night, April 23rd at the Hynes Civic Auditorium. The one week engagement will extend through Saturday night, April 28th and include a matinee performance at 1:30 o'clock on Saturday afternoon.

Orders for tickets will be accepted by mail only on and after February 12th at the offices of the Boston Opera Association, 420 Boylston Street, Room 215, Boston 02116.

The Metropolitan's new production of Bizet's "Carmen" which opened the current New York Season has been chosen to open the Boston season with the same New York cast. Other highlights will include the first Boston presentation of the Metropolitan's production of Verdi's "Macbeth" with a brilliant cast headed by Martina Arroyo and Sherrill Milnes.

Late January and February is the best time for property owners who have shade and fruit trees on their lawns, to be thinking of controls to fight against damaging bugs and diseases. Egg masses and various tree diseases can be detected during these months.

Valuable trees should be protected against pests that live gluttonously on trees, sapping their vitality, marring their beauty and often causing their death says Robert A. Bartlett.

Dormant sprays with special miscible oils will kill egg masses over-wintering on the undersides of twigs, around buds and leaf scars, and in cracks and crevices of bark.

CHINATOWN SCHOOL GETS LIBRARY because Andover Library Project volunteers set up school library in Boston's Quincy School. Mrs. Katharine Martin of Andover listens to Victor Hom, as Kaman Cho investigates a book. Volunteers are needed.

Aiding Boston Project

The Andover Library Project in Boston, a member group of Volunteers for Boston Schools, Inc., is now providing and staffing a school library for an elementary school in Boston's Chinatown.

The Quincy School, 90 Tyler St., is the oldest school building in Boston, built in 1847. It will have a school library in operation for the first time, beginning in February, through the volunteer efforts of the Library Project volunteers from Andover.

The Andover group, led by Mrs. Hart D. Leavitt, 15 School St., has spent the fall processing classroom book collections and a group of new books, which will

form the nucleus of the library. Federal Title I funds will provide additional books, through the Boston School Committee.

The Andover group began and operated school libraries in two East Boston schools, beginning four years ago. This fall they successfully turned the library of the John Cheverus School over to school mothers who have volunteered to take it over. The policy is to train community volunteers who can then keep the school library going, until the day that school libraries are funded in the Boston school department budget. This day does not appear to be around the corner. There were no libraries in any Boston

elementary or junior high schools until they were set up and staffed by the Volunteers for Boston Schools, Inc., of which the Andover Library Project volunteers are members.

Anyone interested in helping urban schools to have the advantage of a school library, where children can be encouraged to read for pleasure, is welcome to join the Library Project as a regular or substitute volunteer. Absolutely no experience is necessary. Volunteers carpool in to the school one morning a week, and are home before our local elementary schools close. For information, call Mrs. Leavitt.

because it clearly states my feelings about this upcoming eighteen month budget.

In the past, I have spoken of the various facets of this department which we package under the title of community service. In an attempt to most effectively service the community and implement our new concept, the Community Schoolconcept, the budget was carefully screened and then rebuilt on the concept of providing community recreation and community school programming, at a reasonable cost to the taxpayer. Town Meeting has voted in the past on recreation budgets which reflected the specific needs of such a department. The new Department of Recreation and Community Schools requires that we focus upon four areas. Past articles have discussed these four areas and how I have only emphasized two of the four in the few months I have been in Andover. Now that we have formed a solid base on which to build, we will begin to expand our scope of operation and thereby increase our community services. This new budget is reflective of our desire to both increase present services and expand into areas previously neglected.

The budget for the Recreation / Community School Department is under final consideration by the Finance Committee. Recently a public hearing was held for our budget. Several suggestions were made which I feel certainly are worthy of future consideration. In fact, I hope that two of the suggestions will appear on the agenda for the Recreation / Community School committee meeting in February. Future articles will concentrate on the sections of the budget having the greatest increase. I will explain why the appropriations requested will increase our services in an orderly fashion and why this budget is an investment in future recreation / community school programs.

Views Budget Request As Future Investment

By Gary C. Ralph

A short time ago, I was chatting with a school principal's secretary. The topic of budget and Town Meeting came up. She asked if we had increased the Recreation / Community School budget this year and if so, by how much.

I told her yes, there was an increase and carefully explained what the increase represented

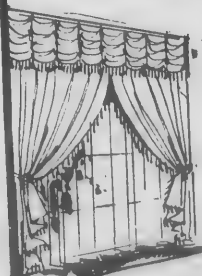

and how such additions were going to increase the effectiveness of our community service. I also pointed out how these additions were not an annual event but an updating. She made an interesting statement after my explanation.

She said, "Then this budget is really an investment in the future." I only wish I had thought of that particular statement,

Butler - Thomas

Miss Christine Thomas, daughter of Mr. and Mrs. Julian B. Thomas of Grosse Pointe Farms, Mich., was married on Saturday, Jan. 13, to John Kenrick Butler, son of Mr. and Mrs. John Kenrick Butler of Stinson Road.

The four-thirty p.m. ceremony took place at Christ Episcopal Church in Grosse Pointe Farms, with the Rev. Perry M. Porter officiating. A reception followed at the Grosse Pointe War Memorial on Lake Shore Drive.

Given in marriage by her father and carrying a cascade of miniature white carnations, pink sweetheart roses and ivy, the bride wore a gown of ivory silk organza. The gown was trimmed with point de Venise lace. A cluster of Venise lace petals held her tiered veil of illusion.

The matron of honor, Mrs. Danford H. Piggins of Grosse

Pointe, was gowned in a full-length dark emerald green velvet dress, and carried carnations, red sweetheart roses and camellia leaves. Similarly attired were the two bridesmaids, Mrs. Harrington K. Mason of Des Moines, Iowa, and Miss Margaret Thomas of Grosse Pointe Farms, sisters of the bride.

Dr. Robert W. Lisle of White Hall, Md., brother-in-law of the bridegroom, was best man and the ushers included Norman B. Barstow of Rocky Hill, Conn., Lawrence C. Dunham of Dearborn, Mich., and Anthony B. Fruhauf of Bloomfield Hills, Mich.

The couple will live in Inkster, Mich., where Mr. Butler is managing consultant for Roy Jorgenson Associates.

Contributions may be made to the Bon Secours-Lawrence General Joint Hospital Building Fund, Inc.

MILTON H. POTTER

Milton H. Potter, 62, 80 Jefferson St., North Andover, died Friday, Jan. 26, a short time after being admitted to Lawrence General Hospital. Mr. Potter was taken from his home to the hospital in the Lawrence Fire Department ambulance. The North Andover Fire Department ambulance was involved in an accident on the way to the Potter house and was unable to answer the emergency call.

Mr. Potter was born in Greenville, Maine, Nov. 17, 1910. He was retired, and formerly owned a drive-in restaurant in West Brookfield. He came to North Andover five years ago. Mr. Potter was a Navy veteran of World War II. He was a member of the West Brookfield American Legion Post.

He leaves his wife, the former Constance Gustin; five daughters, Jeannette, wife of Richard Finethy of Alton Bay, N.H., Carolyn, wife of Joseph Murrey of Brookfield, Elaine, wife of Edward Spencer of Warren, Valerie, wife of Lawrence Bruso of West Brookfield, and Deborah, wife of James Scuderi of Methuen; five sons, Blaine of Foxboro, Gustin of Fitchburg, Clifford of Woodbridge, Va., Joseph of

North Andover, and Douglas of Alton Bay, N.H.; three sisters, Dorethana, wife of Jack Sperry of Dedham, Louise, wife of Ivis Denison of Greenville, Maine, and Mrs. Roberta Bradford of Greenville, Maine; a brother, Gerald Potter of Shrewsbury; his mother, Mrs. Beatrice Potter of Greenville, Maine, and 19 grandchildren.

A funeral was held Monday at 11 a.m. in the Congregational Church, West Brookfield. Burial was in Pine Grove Cemetery, that town.

Memorial contributions may be made to the Massachusetts Eye and Ear Infirmary, Boston, or to the National Cerebral Palsy Association.

MRS. DOROTHY GESING

Mrs. Dorothy (Randlett) Gesing, 50, widow of Bruce C. Gesing, 29 Weare St., Lawrence, a former long-time resident of Andover, died Thursday, Jan. 25, at Lawrence General Hospital, following a short illness.

She was employed as a desk clerk at the Holiday Inn, Lawrence, and was a member of the First United Methodist Church, North Andover. She graduated from Punchard High School with the class of 1939.

She is survived by two sons, Rank W. Gesing of Highland Park, Ill. and Steven N. Gesing of Methuen; a daughter, Carol A., wife of Norman Coombs of Andover; her mother, Mrs. Walter Randlett of St. Petersburg, Fla., and four grandchildren.

Funeral services were held Saturday at the Lundgren Funeral Home, 18 Elm St. Cremation was at Harmony Grove, Salem.

Memorial contributions may be made to the Lawrence General Hospital Memorial fund.

MRS. MINNI WEINRICH

Mrs. Minni (Feldman) Weinrich, 84, 1800 Beach Road, Long Island, N.Y., widow of Frank Weinrich, died Monday, Jan. 22 in Freeport, N.Y., after a short illness.

She leaves a sister, a brother and a daughter, Nora, wife of Irving Malis of Andover. The funeral was held Wednesday in New York City.

Burial was in New Jersey. Memorial week was observed at the home of Mrs. Malis, 12 Marilyn Road, Andover.

FRANK H. PATTERSON

Frank H. Patterson, 65, retired custodian at the Andover Post Office, 14 Burnham Road, Andover, died Tuesday suddenly at his home.

Born in Boston, he was a resident of Andover for 63 years. He was a veteran of World War II, having served with the U.S. Army.

He is survived by a brother, Robert W. Patterson of Arlington, Va.

Funeral services under the

direction of the Lundgren Funeral Home, 18 Elm St., Andover, were private. Burial was in Spring Grove Cemetery.

Memorial contributions may be forwarded to the charity of one's choice.

MRS. LILLIAN A. SMITH

NORTH ANDOVER - Mrs. Lillian A. (Needham) Smith, 11 Inglewood St., died Tuesday, Jan. 23, after a long illness.

Mrs. Smith was born in Chelsea. She was for many years, before her retirement, a housekeeper at Abbot Academy, Andover.

Surviving are two daughters, Lillian A., wife of John E. Spinney of North Andover, and Brenda, wife of J. O'Neill Miller of Maryland, and 13 grandchildren.

Private funeral services were held Wednesday, Jan. 24 from the John Breen Memorial Funeral Home, Inc., 122 Amesbury St., Lawrence. Burial was in Bellevue Cemetery, Lawrence.

MRS. C.F. ROBERTS

NORTH ANDOVER - Mrs. Catherine F. (Daw) Roberts, 54, 32 Second St., a former tester at Western Electric Co., died Saturday, Jan. 27 after a long illness.

Born March 23, 1918 in North Andover, she was a life-long resident of the town. She was formerly employed as a tester at the Merrimack Valley Works of Western Electric Co.

She was a member of St. Michael's Parish, North Andover.

Surviving are a daughter, Cynthia, wife of Alfred Melancon of New Orleans, La.; two sons, Chief Petty Officer Raymond Roberts, stationed with the U.S. Navy in Quonset Point, R.I., and David R. Roberts, Jr. of North Andover; eight grandchildren; a brother, Fire Chief James P. Daw of North Andover; two sisters, Helen, wife of James Matheson of North Andover and Mary, wife of John Egan of Harrison, N.J.

The funeral was held Tuesday with a 9 a.m. Mass in St. Michael's Church. Burial was in Immaculate Conception Cemetery, Lawrence.

Music To Our Ears

By Edward P. Grigoli

The art of the drama is a combination of many arts. It involves the graphic visual effects of the painter, the plasticity and depth of the sculptor, the rhythm and movement of the dancer, the tonal changes of the composer, the language of the poet. Perhaps to a greater extent than the other artist's materials, the playwright's are those of life. The real or imagined characters, situations, themes and subjects of life are the basic materials from which drama is born.

The playwright seldom merely lifts characters from life and transports them to the stage. He modifies, interprets, and perfects them in terms of his specific dramatic purpose. He carries his characters through a series of crises that are manifested in action. The purpose, development, and even characteristics of the characters will vary from play to play, depending upon the intent of the playwright. But however they may be treated, human character is the base material of the playwright.

Also, just as situation is basic to action in life so it is in drama. A play is a series of situations. The situations may, as in the case of the characters, be real or imagined. They are drawn from life. The art of the playwright is found in his handling of the situation. The development of situation, like the development of character, seldom merely duplicates circumstances in life. The life situation is interpreted and perfected in order to express the special meaning of the playwright.

Every play begins with a situation that is altered and developed during the course of the action. The source material will be found in life; the art of the drama lies in the treatment of the material.

Memorial Hall Library

Film Program

The Sunday afternoon films will be moved from Memorial Hall Library to West Elementary School beginning Sunday, Feb. 4. The film next Sunday will be When Comedy Was King which is a historical presentation of the world of Hollywood comedy in the days of the Keystone Kop capers, Buster Keaton, Harry Langdon, custard pie, Gloria Swanson, and others. The film will be shown at 2 p.m. in the school auditorium. Please use the door in the rear adjacent to the parking lot. The film is free. Future films of the Humphrey Bogart series will begin on Sunday, Feb. 11, and the regular charge of fifty cents will be requested. The reason for the change in place is an effort to increase the attendance at these films. The movie will be held in conjunction with the activities of the Recreation Department which take place every Sunday afternoon at the West Elementary School, Beacon St., Andover.

Future Programs

Two very important programs will be held at the library the week of Feb. 18, the week of school vacation. On Wednesday, Feb. 21, at 8 the fourth meeting of the Creativity Series will be held in the library hall. Mr. and Mrs. John French of Stockbridge, will be the speakers. John French is in the Art Department of the regional high school of Stockbridge. A ceramic artist, he has his own studio in his home for teaching and for sales. His wife, Primm, is head of the Art

Department in the same school. Mr. and Mrs. French will speak on the importance of a creative environment for high school age students.

The second important meeting will be held on Thursday, Feb. 22, at 8, also in the library hall. Dr. Nina Scarito will speak that evening on the topic of Family Planning. This program is the second in the series on Community Health and Welfare. Dr. Scarito is a specialist in obstetrics and gynecology, practicing in Lawrence. She is on the staff of Bon Secours and Lawrence General Hospitals. It should be of interest to hear the interpretation of the recent Supreme Court decision on abortion, as viewed by Dr. Scarito. These programs are open to all and are without charge. Save the dates, Feb. 21 and 22, for two timely programs at the library.

Young Adult Club

The Orbit Group meets every Wednesday at 3 p.m. at the library. Sherman Pridham is in charge of this group. Two weeks ago the young people visited St. Ann's Home in Methuen. They had an informative discussion with Mr. Sheehy, Organizer of Volunteers, and were then given a tour of the Home. The young people were so impressed with the aims of the institution and the quality of the care for the youthful residents of the Home that they wanted to help. Members of the Library Orbit Club will collect paperbacks and hardback books for the emotionally disturbed children

who live at St. Ann's and whose ages are from seven to sixteen. Anyone who would like to contribute to this cause is requested to bring his books to the library. The young people will deliver the books to St. Ann's Home in a few weeks and present them to the library there.

Great Books

The Great Books Group will meet on Feb. 13 in the Print Room at the library at 7:30. Selections from Gulliver's Travels will be discussed. The selections include A Voyage to Lilliput, A Voyage to Brobdingnag, and A Voyage to the Country of the Houyhnhnms.

Children's Room

This week watch for: Marvelous Music: on Thursday at 3:45. We'll be listening to Peter and the Wolf and the Nutcracker.

Vibor: every Friday at 3:45.
Chess: every Saturday 10 11:30 a.m.

Pajama Party: preschool story hour. Tuesdays at 6:15.

Prove It!: try new science experiments alternate Saturdays beginning Feb. 3 at 2.

Don't miss Reading Aloud on Wednesdays at 6:15.

At Conference

Mr. and Mrs. Harry Axelrod, 27 Alden Road, Andover, will attend the Feb. 6 Annual Legislative Conference of the Massachusetts Association for Mental Health (MAMH) at the Copley Plaza Hotel in Boston.

Ohio Governor John J. Gilligan, who is credited with turning his state's bureaucracy around to give top priority to people-to-people services, will describe "The State's Responsibility in Meeting the Needs of

the Mentally Ill."

Mrs. Axelrod, president of the Greater Lawrence Mental Health Association, said that the Ohio executive's talk at the MAMH

dinner meeting will highlight the day-long conference of lawmakers, mental health professionals, and volunteers from across the state.

Unless you were born into it, a Porsche was always something that came with success.

Now there is a Porsche you can afford on the way to success.

In the classic sports car tradition, the 914 is a two-seater.

In our race car tradition, it's a mid-engine.

Weight distribution is about 45% up front and 55% in back. That and rack-and-pinion steer-

ing make for a very quick handling car.

With the engine in the middle, other advantages come to light. Tires wear better because each wheel carries almost the same load. Brakes work smoother for the same reason.

There are two trunks, front and rear. (The re-

movable fiberglass roof stows away in the rear trunk along with a sporting amount of luggage.)

Other standard equipment includes a 5-speed gearbox, 4-wheel disc brakes and a built-in roll bar.

For a Porsche, the price is strictly youth fare. But you don't have to be under 30 to enjoy it.

Records Set At Standard

Standard International Corporation's (NYSE) sales and earnings moved sharply ahead in the fiscal first half and second quarter periods ended Dec. 31, 1972, setting historic new quarterly and six-month records for the company. Earnings per share in the half rose 49 percent (before extraordinary gains) from the prior year, net sales increased 25 percent, and income from operations rose 32 percent. Daniel E. Hogan, president, stated that the results were "on

target" with Standard's previous earnings projection of \$2 per share for the current fiscal year ending June 30, 1973. He added that, based on the present tempo of business throughout the corporation, Standard looks forward to another increase of "at least 10 percent in earnings" in the firm's next fiscal year.

First half earnings (before extraordinary gains) amounted to \$1 per share, compared with 67¢ a year ago. Net income amounted to \$3,012,000 (before extraordinary gains) on sales of \$73,264,000 in the first half, as compared with net income of \$2,639,000 on sales of \$58,418,000 in the prior year. In addition, Standard International realized extraordinary net income of \$16,584,000 - or an additional \$5.53

per share - in the six month period.

In the second fiscal quarter, Standard's earnings amounted to 59¢ per share, a 55 percent increase from the prior year's 38¢ per share. Net income for the quarter amounted to \$1,733,000, up about 15 percent from the prior year's \$1,510,000. Sales in the latest quarter rose 27 percent to \$39,928,000, as compared with \$31,557,000 the year before.

Of particular importance, Mr. Hogan pointed out, was "the significant increase" in income from operations. In both the half and second quarter periods, operating income rose 32 percent setting new corporate records. Mr. Hogan added that the increase in net income - while also setting new records - amounted to about 14 percent - 15 percent (which was less than the operating income increase). This resulted from a decrease in non-operating income - dividends, interest and equity earnings associated with Standard's minority interest in the A.T. Cross Company. The extraordinary gains resulted from the sale of the balance of the company's Squibb Corporation stock and most of its remaining A.T. Cross Stock. Mr. Hogan attributed the strong gain in per-share earnings both to the "excellent performance" of our operating units, as well as to the lower number of shares presently outstanding. "This was by far the best quarter and the best six month period in Standard International's history," Mr. Hogan stated, "and it was achieved almost entirely from strong internal growth and improved operations across the board. We expect the present trends to continue into the foreseeable future and we feel confident that fiscal 1974 will be another record-breaking year for Standard."

Mr. Hogan added that Standard's balance sheet is "the strongest in the history of Standard International." Long-term debt as of Dec. 31 amounted to under \$14 million, down from \$26.6 million a year ago. Common stockholders' equity amounted to \$18.46 per share, as compared with \$12.38 per share a year ago.

Standard International is a diversified manufacturer operating in four basic growth areas: Consumer Products; Food Service and Hospital Equipment; Graphics; and Industrial Products.

For Television Sales and Service, See Dick's TV

Believe it or not, the baseball season will soon be here! This year why not enjoy it in living color on a color TV set. They are not as expensive as you think, if you shop at Dick's TV, 466 Haverhill Street in Lawrence. Dick, an Andover resident, and his staff will show you a complete selection of color models that you won't be able to resist.

Dick's TV stocks all the latest model RCA and Zenith television sets. Choose from handsome cabinet models to blend with the decor of your home and convenient portables in many different styles, sizes and finishes. Included are handy roll-

abouts for room-to-room mobility and smaller, easy-to-carry models. Dick's TV does all its own service work and follows up on every sale.

New 1973 Zenith Super Chromacolor is now even brighter and sharper than the famous original Chromacolor. This is a totally advanced color system with new, more powerful handcrafted beam that pinpoints and fully illuminates every color dot on a jet black background. The result is much brighter, much sharper pictures.

RCA color TV for '73 is featured as the most spectacular color you can buy, presenting many new models with a host of

styling and performance features. There is automatic lock-in fine tuning on all consoles and deluxe table models. New vista tuners deliver performance unsurpassed in the television industry.

Dick's TV also features Zenith high fidelity stereo and RCA computer crafted stereo, as well as a full line of black and white TV. In the appliance department, Dick's has Whirlpool, Norge and Kelvinator refrigerators, washers, dryers and dishwashers. For service, call Dick's TV at 686-3584. Their showrooms at 466 Haverhill St., Lawrence, are open Tues. - Fri. till 9 for your convenience.

Beacon Hill Observations

By Bill Kirtz

Michael Ventresca, executive director of the Massachusetts Forest and Park Association, knows 1973 is a "no spending" year on Beacon Hill.

As the head of the state's key conservation lobbying group, though, he hopes for close legislative consideration of bills to regulate land and coastal area use, to increase scrutiny over proposed power plant siting and to encourage regional solutions to solid waste problems.

The Forest and Park Association, privately-funded, is the prime source of conservation information for the state's lawmakers.

"We're the only real lobbying group," says Mr. Ventresca, "so we held a conference of some 70 state environmental groups to pinpoint the major issues for 1973."

Calling solid waste management the state's biggest pollution headache, the Association is backing a bill to create regional waste disposal districts and to encourage communities to recycle.

Virgin products, Mr. Ventresca notes, get depletion allowances which make it hard for recycled materials to compete on the open market. So he favors some form of subsidy for recycled materials and for building regional waste disposal plants. Restrictions on the way products are packaged, he adds, could substantially reduce the amount of material which communities are now forced to dispose of.

"Other problems have taken a back seat to this one," Mr.

Ventresca says, "but the need for comprehensive recycling is very acute. If we stall any longer, we'll really be behind the eight-ball."

Another top Association priority for the new legislative session is protecting off-shore and coastal areas.

Mr. Ventresca would like to see curbs, for example, on the extraction of sand, gravel and oil, adding that a study of each area's coastal situation can be 75 percent federally-funded.

The Association also backs restrictions on housing and industrial development contained in a bill which would designate such areas off-limits for construction.

Wouldn't this undercut home rule?

It wouldn't override a community's present zoning, Mr. Ventresca states, but would prevent re-zoning of large conservation parcels for industrial development.

He gets backing on this point from the state's Department of Natural Resources, which argues that development - "particularly residential development" - makes communities pay more in services (such as police, schools, fire, water and sewage) than they get back in property tax revenues.

"The price tag of unfettered growth," says the Department, "can turn out to be much greater than the costs of conservation."

The Association's last area of major concern this year is power plant siting. Now, 25 separate agencies must approve applications for such plants. But Mr. Ventresca wants to create a conservation-oriented Energy Council to take over from what he terms the industry-oriented agencies now handling the permits.

What are the chances for the bills' success this session?

"Traditionally," Mr. Ventresca answers, "the Massachusetts legislature has been very good on conservation matters. It's a no spending year, and reorganization of the government will take the limelight. But, I hope they won't shunt these problems aside. If the legislature doesn't come up with a workable solution on solid waste, we'll be up to our necks in garbage in two or three years."

Retires From Insurance Co.

C. Stanley Rich

C. Stanley Rich of Andover, assistant vice president of the American Policyholders' Insurance Company, Wakefield, has retired after 33 years with the company.

His most recent assignment had been as assistant general manager and marketing manager.

Mr. Rich is joining the Catalano Agency organization at its Salem, N.H., office.

School Board Session Devoted To Direction

The next meeting of the Andover school committee, scheduled for East Junior High Memorial Auditorium on Tuesday, Feb. 6, at 7:30 p.m., will concern itself almost exclusively with the direction of the Andover schools over the past six years and in the immediate future.

The school committee last week agreed on the need to state school committee policy clearly to the public.

Superintendent, Dr. Kenneth R. Seifert, says it is a good time to discuss the Andover schools' policy and direction for the past six years, which he has been administering for the past three, and to get the sentiments of the town. Seifert describes the administration as confused at this point over getting crossed signals from the community.

The meeting follows a discussion held at Sanborn school Wednesday night, after TOWNSMAN press time concerning changes at that building.

William Breckinridge, 23 Wild Rose Drive, spokesman for parents at the last school committee meeting, said his group objected strongly to the fact that there was no consultation with parents prior to a decision to remove some classroom walls at Sanborn.

Teachers involved were astonished at the heated reaction, saying that opening up of walls was not to prepare for any new educational move, but to facilitate teaching methods.

The teachers involved in "the Sanborn incident," have verified that the request for removal of walls came from them to their principal, then to the central administration, instead of the other way around.

The school committee and administrators appear to be in agreement that the central issue is not the walls, but the issue of open education, or self-contained classroom, with all that each term implies.

The Tuesday night meeting, then, has the earmarks of a landmark convocation, coming six years after the Bancroft school, with its open lofts, which can be partitioned off, was built.

It is two and one half years since the West school addition, with its flexible space arrangements was built.

And, it is three years since the school committee directed Supt. Seifert toward a continuous education policy and movement toward individualized learning.

Seifert has introduced system-wide elementary programs in mathematics and reading which are individualized and new social studies and science programs.

Seifert's proposal to update and improve Doherty and Shawsheen schools, the two oldest elementary buildings in town, seeks to build flexible

space into these two buildings, the rationale being to fit them for individualized programs, and for the IGE team - teaching administrative organization Miss Isabel Dobbie heads at Shawsheen. Wall removal at Sanborn is perhaps in a small way analogous to the Doherty - Shawsheen project, on the March warrant, the first Seifert-initiated construction proposal which Andover townspeople will vote on.

The administration has stated unequivocally this year that both tightly structured and loosely structured learning environments need to exist in each elementary school. This is in opposition to initial suggestions of an "alternative education" group which asked for a school providing more open education than the system now offered.

Secondary Pressure

School committee and administrative pressure is now on the secondary schools for program change to meet the needs of students coming in from the elementary schools.

The Andover Education Association, the teachers' organization, felt this pressure on secondary teachers, and also their apprehension. A group of high school teachers gained school committee permission for a two-day workshop on individualized learning, led by an expert of their choosing. Dr. Walter Armistead of Colorado came to demonstrate and suggest ways and means of personalizing education for secondary students, without getting into a situation of being a tutor to each student in each class.

New programs are beginning to emerge at the junior high level. Principals William Hart and Richard McGrail say the new seventh grade program for next year and the accompanying new foreign language program described in this issue of the TOWNSMAN are steps toward a middle school program, for the seventh and eighth grades.

Here is another issue for citizen consideration.

Programs for the ninth through twelfth grades are likely to emerge department by department, and reflect the thinking of each department group, more than do the elementary school

system-wide programs.

Teacher Opinion

What of teacher opinion? Committee member Dr. Frank Griggs worries lest teachers who disagree with the policy directions won't express themselves publicly. Griggs, who indicated last week that he was for individualization, but against open education, is something of a lightning rod for teacher disagreement with policy. He says he hears most disagreement at the elementary and high school level, not the junior highs.

AEA complaint sheets were distributed last November by Andover Education president Douglas Walshe, who says he considered the four or five replies he got very constructive. Walshe says teachers need not identify themselves, just their school, when making a complaint. Walshe is for more and wider communication, up and down, within the professional organization.

As for change in the secondary programs, the reaction to the workshop on individualization was generally quite favorable, although there certainly were teachers who did not buy it. They want more information showing the validity of the direction.

Superintendent Seifert said the system is looking to the town for direction. "I don't want to change the secondary programs if that is not what the town wants," Seifert told the TOWNSMAN this week. "What does being against 'open education' mean? Does that mean we build up walls in Bancroft and West Elementary?"

Should we stop funding the inservice retraining of teachers for more flexible environments, such as team teaching, large and small group learning and independent study? I have been presented with a number of specific proposals from teachers in the junior and senior high schools, and many of them are asking me for more flexibility. Should I say no?"

"We have tried to communicate to people what we are doing by Educational Town Meetings that few people come to, by PTA meetings to explain the scope and purpose of each new program, through newspaper articles or statements, bulletins going home to parents. I have visiting hours every Tuesday and Thursday, 3-5 p.m. The principals have visiting hours. Yet the Climate of Learning Questionnaire did tell us that we need more communication."

School Board Candidate

Miss Joanne White announced her candidacy for school committee in the town on March 5.

Miss White is a resident of Andover. She resides on Summer Street and is the daughter of Mr. and Mrs. White. She is a graduate of Andover High School. She is pursuing a college education at Lowell College. Miss White is locally.

Miss White has worked with minority groups and privileged children, English and Spanish. She participated in an elementary school program assisted students in St. French. She is active in educational and organizations.

Miss White believes that the youth of Andover be represented with the school committee. She said:

I believe we should have communications between townspeople and schoolboard. This should be by informative and bulletins mailed to all.

Select To Finish

As local officials select the selectmen and committee continue the relative merit million trunk line. West Andover Industrial Hewlett-Packard potential occupant has announced plans the size of its plant.

Late last week representatives announced of construction square foot plant, originally projected square foot building.

Increased business as the reason for it. The selectmen unanimously endorsed Andover proposal necessity to expend make the sewer line have responded to questions offered by Committee.

Town Manager Austin has also produced figures showing the town of putting line, a requirement Packard.

Austin, who issued figure of a six percent rate increase, predicted the town would benefit the additional income.
